2 Issue of Notes and Covenant to Pay

2.1 Issue of Notes: The Issuer may from time to time issue Notes in Tranches of one or more Series on a continuous basis with no minimum issue size in accordance with the Dealer Agreement. Before issuing any Tranche, the Issuer shall give written notice or procure that it is given to the Trustee of the proposed issue of such Tranche, specifying the details to be included in the relevant Final Terms. 2.2 Separate Series: The provisions of sub-Clauses 2.3, 2.4, 2.5, 2.6 and of Clauses 3 to 16 and Schedule 3 (all inclusive) shall apply *mutatis mutandis* separately and independently to the Notes of each Series and in such Clauses and Schedule the expressions “**Noteholders**”,

“Coupons”, “Couponholders” and “Talons”, together with all other terms that relate to Notes or their Conditions, shall be construed as referring to those of the particular Series in question and not of all Series unless expressly so provided, so that each Series shall be constituted by a separate trust pursuant to sub-Clause 2.3 and that, unless expressly provided, events affecting one Series shall not affect any other.

2.3 Covenant to Pay: The Issuer shall on any date when any Notes become due to be redeemed, in whole or in part, unconditionally pay to or to the order of the Trustee in the Contractual Currency, in the case of any Contractual Currency other than euro, in the principal financial centre for the Contractual Currency and in the case of euro, in a city in which banks have access to the T2, in same day funds the Redemption Amount of the Notes becoming due for redemption on that date together with any applicable premium and shall (subject to the Conditions) until such payment (both before and after judgment) unconditionally so pay to or to the order of the Trustee interest in respect of the principal amount of the Notes outstanding as set out in the Conditions (subject to sub-Clause 2.6) provided that (1) subject to the provisions of Clause 2.5, payment of any sum due in respect of the Notes made to the Issuing and Principal Paying Agent as provided in the Agency Agreement shall, to that extent, satisfy such obligation except to the extent that there is failure in its subsequent payment to the relevant Noteholders or Couponholders under the Conditions and (2) a payment made after the due date or as a result of the Note becoming repayable following an Event of Default shall be deemed to have been made when the full amount due has been received by the Issuing and Principal Paying Agent or the Trustee and notice to that effect has been given to the Noteholders (if required under Clause 8.8), except to the extent that there is failure in its subsequent payment to the relevant Noteholders or Couponholders under the Conditions. This covenant shall only have effect each time Notes are issued and outstanding, when the Trustee shall hold the benefit of this covenant on trust for the Noteholders and Couponholders of the relevant Series.

2.4 Discharge: Subject to sub-Clause 2.5, any payment to be made in respect of the Notes or the Coupons by the Issuer or the Trustee may be made as provided in the Conditions and any payment so made shall (subject to sub-Clause 2.5) to that extent be a good discharge to the Issuer or the Trustee, as the case may be (including, in the case of Notes represented by a NGN whether or not the corresponding entries have been made in the records of Euroclear and Clearstream, Luxembourg).

2.5 Payment after a Default: At any time after an Event of Default or a Potential Event of Default has occurred in relation to a particular Series, the Trustee may:

2.5.1 by notice in writing to the Issuer and the Agents, require the Agents, until notified by the Trustee to the contrary, so far as permitted by applicable law:

- (i) to act as Agents of the Trustee under this Trust Deed and the Notes of such Series on the terms of the Agency Agreement (with consequential amendments as necessary and except that the Trustee’s liability for the indemnification, remuneration and expenses of the Agents shall be limited to the amounts for the time being held by the Trustee in respect of the Notes of such Series on the terms of this Trust Deed) and thereafter to hold all Notes, Coupons and Talons of such Series and all moneys, documents and records held by them in respect of Notes, Coupons and Talons of such Series to the order of the Trustee; or

- (ii) to deliver all Notes, Coupons and Talons of such Series and all moneys, documents and records (save for those required to be retained by law or regulation) held by them in respect of the Notes, Coupons and Talons of such Series to the Trustee or as the Trustee directs in such notice; and

2.5.2 by notice in writing to the Issuer, to make all subsequent payments in respect of the Notes, Coupons and Talons of such Series to or to the order of the Trustee and not to the Issuing and Principal Paying Agent with effect from the issue of any such notice to the Issuer; and from then until such notice is withdrawn, proviso (1) to Clause 2.3 above shall cease to have effect.

2.6 Rate of Interest After a Default: If the Notes bear interest at a floating or other variable rate and they become immediately payable under the Conditions, the rate of interest payable in respect of them shall continue to be calculated by the Issuing and Principal Paying Agent or the Calculation Agent in accordance with the Conditions (with consequential amendments as necessary) except that the rates of interest need not be published unless the Trustee otherwise requires. The first period in respect of which interest shall be so calculable shall commence on the expiry of the Interest Period during which the Notes become so repayable.

3 Form of the Notes

3.1 The Global Notes: The Notes shall initially be represented by a temporary Global Note or a permanent Global Note in the principal amount of the Tranche being issued. Interests in temporary Global Notes shall be exchangeable for Definitive Notes or interests in permanent Global Notes as set out in each temporary Global Note. Interests in permanent Global Notes shall be exchangeable for Definitive Notes as set out in each permanent Global Note.

3.2 The Definitive Notes: The Definitive Notes, the Coupons and the Talons shall be security printed, in each case in accordance with applicable legal and stock exchange requirements substantially in the forms set out in Schedule 2. The Notes shall be endorsed with the Conditions.

3.3 Signature: The Notes, the Coupons and the Talons shall be signed manually or in facsimile by a duly authorised signatory of the Issuer and the Notes shall be authenticated by or on behalf of the Issuing and Principal Paying Agent. The Issuer may use the facsimile signature of a person who at the date of this Trust Deed is such a duly authorised signatory even if at the time of issue of any Notes, Coupons or Talons he no longer holds that office. In the case of a Global Note which is a NGN, the Issuing and Principal Paying Agent shall also instruct the Common Safekeeper to effectuate the same. Notes, Coupons and Talons so executed and authenticated and effectuated (if applicable) shall be binding and valid obligations of the Issuer.

4 Stamp Duties and Taxes

4.1 Stamp Duties: The Issuer shall pay any stamp, issue, documentary or other taxes and duties, including interest and penalties, payable in the Republic of Italy, Belgium, Luxembourg, the United Kingdom and the country of each Contractual Currency (other than euro) in respect of the creation, issue and offering of the Notes, Coupons and Talons and the execution or delivery of this Trust Deed. The Issuer shall also indemnify the Trustee, the Noteholders and the Couponholders, from and against all stamp, issue, documentary or other taxes paid by any of them in any jurisdiction in connection with any action taken by or on behalf of the Trustee or, as the case may be, the Noteholders or the Couponholders to

enforce the Issuer's obligations under this Trust Deed, the Agency Agreement or the Notes, Coupons or Talons.

- 4.2 Change of Taxing Jurisdiction:** If the Issuer becomes subject generally to the taxing jurisdiction of a territory or a taxing authority of or in that territory with power to tax other than or in addition to the Republic of Italy or any such authority of or in such territory then the Issuer shall (unless the Trustee otherwise agrees) give the Trustee an undertaking satisfactory to the Trustee in terms corresponding to the terms of Condition 7 with the substitution for, or (as the case may require) the addition to, the references in that Condition to the Republic of Italy of references to that other or additional territory or authority to whose taxing jurisdiction the Issuer has become so subject. In such event this Trust Deed and the Notes, Coupons and Talons shall be read accordingly.

5 Application of Moneys received by the Trustee

- 5.1 Declaration of Trust:** All moneys received by the Trustee in respect of the Notes or amounts payable under this Trust Deed shall, despite any appropriation of all or part of them by the Issuer, be held by the Trustee on trust to apply them (subject to Clause 5.2):

5.1.1 first, in payment of or provision for all costs, charges, fees, expenses and liabilities properly incurred by the Trustee (including remuneration payable to it) and/or any Appointee (as defined below) in carrying out its functions under this Trust Deed;

5.1.2 secondly, in payment of any amounts owing in respect of the Notes or Coupons *pari passu* and rateably; and

5.1.3 thirdly, in payment of the balance (if any) to the Issuer.

If the Trustee holds any moneys in respect of Notes or Coupons that have become void or in respect of which claims have become prescribed, the Trustee shall hold them on these trusts.

- 5.2 Accumulation:** If the amount of the moneys at any time available for payment in respect of the Notes under sub-Clause 5.1 is less than 10 per cent of the principal amount of the Notes then outstanding, the Trustee may, at its discretion, invest such moneys. The Trustee may retain such investments and accumulate the resulting income until the investments and the accumulations, together with any other funds for the time being under its control and available for such payment, amount to at least 10 per cent of the principal amount of the Notes then outstanding and then such investments, accumulations and funds (after deduction of, or provision for, any applicable taxes) shall be applied as specified in sub-Clause 5.1.

- 5.3 Investment:** Moneys held by the Trustee may be invested in its name or under its control in any investments or other assets anywhere whether or not they produce income or deposited in its name or under its control at such bank or other financial institution in such currency as the Trustee may, in its absolute discretion, think fit. If that bank or institution is the Trustee or a subsidiary, holding or associated company of the Trustee, it need only account for an amount of interest equal to the standard amount of interest payable by it on such a deposit to an independent customer. The Trustee may at any time vary or transpose any such investments or assets or convert any moneys so deposited into any other currency, and shall not be responsible for any resulting loss, whether by depreciation in value, change in exchange rates or otherwise.

6 Enforcement

6.1 Proceedings brought by the Trustee: At any time after the Notes of any Series shall have become immediately due and repayable, the Trustee may at its discretion and without further notice, and subject to sub-Clause 7.1, take such steps, actions or institute such proceedings as it may think fit (subject to the Conditions) against the Issuer to enforce repayment thereof together with premium (if any) and accrued interest and any other moneys payable pursuant to this Trust Deed.

6.2 Proof of default: Should the Trustee take any steps, actions or institute any legal proceedings against the Issuer to enforce any of the provisions of this Trust Deed:

6.2.1 proof therein that as regards any specified Note the Issuer has made default in paying any principal, premium or interest due in respect of such Note shall (unless the contrary be proved) be sufficient evidence that the Issuer has made the like default as regards all other Notes which are then due and repayable, and

6.2.2 proof therein that as regards any specified Coupon the Issuer has made default in paying any interest due in respect of such Coupon shall (unless the contrary be proved) be sufficient evidence that the Issuer has made the like default as regards all other Coupons which are then due and payable.

7 Proceedings

7.1 Action taken by Trustee: The Trustee shall not be bound to take any such steps, actions or institute any proceedings as are mentioned in sub-Clause 6.1 unless respectively directed or requested to do so (i) by an Extraordinary Resolution or (ii) in writing by the holders of at least one-quarter in principal amount of the Notes of the relevant Series then outstanding and in either case then only if it shall be indemnified and/or secured and/or prefunded to its satisfaction against all actions, proceedings, claims and demands to which it may thereby render itself liable and all costs, charges, damages and expenses which it may incur by so doing.

7.2 Trustee only to enforce: Only the Trustee may enforce the provisions of this Trust Deed. No holder shall be entitled to proceed directly against the Issuer to enforce the performance of any of the provisions of this Trust Deed unless the Trustee having become bound as aforesaid to take proceedings fails to do so within a reasonable period and such failure shall be continuing.

7.3 Trustee may refrain from action: In addition and without prejudice to sub-Clauses 6.1 and 7.1, and without incurring any liability to any person, the Trustee may refrain from taking any action, step or instituting any proceedings in any jurisdiction if the taking of such action, step or instituting such proceedings in that jurisdiction would, in its opinion in the relevant jurisdiction, be contrary to any law or regulation of that jurisdiction. Furthermore, the Trustee may also refrain from taking such action if it could, in its opinion otherwise render it liable to any person in that jurisdiction or if, in its opinion, it may not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction or if it is determined by any court or other competent authority in that jurisdiction that it does not have such power.

admission to trading of the Notes on another market, in each case approved in writing by the Trustee;

8.11.1 from Gianni & Origoni as to Italian law and Italian tax law and Simmons & Simmons LLP as to the laws of England on each update of the Programme and on the date of any amendment to this Trust Deed;

8.11.2 from legal advisers acceptable to the Trustee as to such law as may be requested by the Trustee, on the issue date for the Notes in the event of a proposed issue of Notes of such a nature and having such features as might lead the Trustee to conclude that it would be prudent, having regard to such nature and features, to obtain such legal opinion(s) or in the event that the Trustee considers it prudent in view of a change (or proposed change) in (or in the interpretation or application of) any applicable law, regulation or circumstance affecting the Issuer, the Trustee, the Notes, the Coupons, the Talons, this Trust Deed or the Agency Agreement; and

8.11.3 on each occasion on which a legal opinion is given to any Dealer in relation to any Notes pursuant to the Dealer Agreement from the legal adviser giving such opinion;

8.12 Notes Held by Issuer etc.: send to the Trustee as soon as practicable after being so requested by the Trustee a certificate of the Issuer signed by any two of its directors stating the number of Notes held at the date of such certificate by or on behalf of the Issuer or its Subsidiaries; and

8.13 Material Subsidiaries: give to the Trustee at the same time as sending the certificate referred to in sub-Clause 8.5 or within 28 days of a request by the Trustee, a certificate of two directors of the Issuer listing those Subsidiaries of the Issuer that as at the last day of the last financial year of the Issuer or as at the date specified in such request were Material Subsidiaries.

9 Remuneration and Indemnification of the Trustee

9.1 Normal Remuneration: So long as any Note is outstanding the Issuer shall pay the Trustee as remuneration for its services as Trustee such sum on such dates in each case as they may from time to time agree. Such remuneration shall accrue from day to day from the date of this Trust Deed. However, if any payment to a Noteholder or Couponholder of moneys due in respect of any Note or Coupon is improperly withheld or refused, such remuneration shall again accrue as from the date of such withholding or refusal until payment to such Noteholder or Couponholder is duly made.

9.2 Extra Remuneration: If an Event of Default or Potential Event of Default shall have occurred, the Issuer hereby agrees that the Trustee shall be entitled to be paid additional remuneration calculated at its normal hourly rates in force from time to time. In any other case, if the Trustee finds it expedient or necessary in the interests of the Noteholders or is requested by the Issuer to undertake duties that they both agree to be of an exceptional nature or otherwise outside the scope of the Trustee's normal duties under this Trust Deed,

the Issuer shall pay such additional remuneration as they may agree (and which may be calculated by reference to the Trustee's normal hourly rates in force from time to time) or, failing agreement as to any of the matters in this sub-Clause (or as to such sums referred to in sub-Clause 9.1), as determined by a financial institution or person (acting as an expert) selected by the Trustee and approved by the Issuer or, failing such approval, nominated by the President for the time being of The Law Society of England and Wales. The expenses involved in such nomination and such financial institution's fee shall be borne by the Issuer. The determination of such financial institution or person shall be conclusive and binding on the Issuer, the Trustee, the Noteholders and the Couponholders.

9.3 Expenses: The Issuer shall also on demand by the Trustee pay or discharge all costs, charges, liabilities and expenses properly incurred by the Trustee in the preparation and execution of this Trust Deed and the performance of its functions under this Trust Deed including, but not limited to, legal and travelling expenses and any stamp, documentary or other taxes or duties paid by the Trustee in connection with any legal proceedings reasonably brought or contemplated by the Trustee against the Issuer to enforce any provision of this Trust Deed, the Notes, the Coupons or the Talons. Such costs, charges, liabilities and expenses shall:

9.3.1 in the case of payments made by the Trustee before such demand, carry interest from the date of the demand at the rate equal to the Trustee's cost of funds on the date on which the Trustee made such payments; and

9.3.2 in other cases, carry interest at such rate from 30 days after the date of the demand or (where the demand specifies that payment is to be made on an earlier date) from such earlier date.

9.4 Indemnity: The Issuer will on demand by the Trustee indemnify it, in respect of Amounts or Claims properly paid or incurred by it in acting as trustee under this Trust Deed (including (1) any Agent/Delegate Liabilities and (2) in respect of disputing or defending any Amounts or Claims made against the Trustee or any Agent/Delegate Liabilities). The Issuer will on demand by such agent or delegate indemnify it, on an after tax basis, against such Agent/Delegate Liabilities. "**Amounts or Claims**" are losses, liabilities, costs, fees, claims, actions, demands or expenses and "**Agent/Delegate Liabilities**" are Amounts or Claims which the Trustee is or would be obliged to pay or reimburse to any of its agents or delegates appointed pursuant to this Trust Deed. The Contracts (Rights of Third Parties) Act 1999 applies to this sub-Clause 9.4.

9.5 Continuing Effect: Sub-Clauses 9.3 and 9.4 shall continue in full force and effect as regards the Trustee even if it no longer is Trustee.

10 Provisions supplemental to the Trustee Act 1925 and the Trustee Act 2000

10.1 Advice: The Trustee may obtain, at the expense of the Issuer, and act on and rely on the opinion or advice of, or information obtained from, any expert and shall not be responsible to anyone for any loss occasioned by so acting whether such advice is obtained or addressed to the Issuer, the Trustee or any other person. Any such opinion, advice or information may be sent or obtained by letter, telex, email or fax and the Trustee shall not be liable to anyone for acting in good faith on any opinion, advice or information purporting to be conveyed by such means even if it contains some error or is not authentic.

The Trustee may rely without liability to any person on any report, confirmation or certificate or any advice of any accountants, legal advisers, financial advisers, financial institution or

any other expert, whether or not addressed to the Trustee and whether or not liability in relation thereto is limited by reference to a monetary cap, methodology or otherwise.

- 10.2 Trustee to Assume Performance:** The Trustee need not notify anyone of the execution of this Trust Deed or do anything to find out if an Event of Default or Potential Event of Default has occurred. Until it has express written notice to the contrary, the Trustee may assume that no such event has occurred and that the Issuer is performing all its obligations under this Trust Deed, the Notes, the Coupons and the Talons.
- 10.3 Resolutions of Noteholders:** The Trustee shall not be responsible for having acted in good faith on a resolution purporting to have been passed at a meeting of Noteholders in respect of which minutes have been made and signed even if it is later found that there was a defect in the constitution of the meeting or the passing of the resolution or that the resolution was not valid or binding on the Noteholders or Couponholders.
- 10.4 Certificate signed by directors:** If the Trustee, in the exercise of its functions, requires to be satisfied or to have information as to any fact or the expediency of any act, it may call for and accept as sufficient evidence of that fact or the expediency of that act a certificate signed by any two directors of the Issuer as to that fact or to the effect that, in their opinion, that act is expedient and the Trustee need not call for further evidence and shall not be responsible for any loss occasioned by acting on such a certificate.
- 10.5 Deposit of Documents:** The Trustee may appoint as custodian, on any terms, any bank or entity whose business includes the safe custody of documents or any lawyer or firm of lawyers believed by it to be of good repute and may deposit this Trust Deed and any other documents with such custodian and pay all sums due in respect thereof. The Trustee is not obliged to appoint a custodian of securities payable to bearer.
- 10.6 Discretion:** The Trustee shall have absolute and uncontrolled discretion as to the exercise of its functions and shall not be responsible for any loss, liability, cost, claim, action, demand, expense or inconvenience that may result from their exercise or non-exercise.
- 10.7 Agents:** Whenever it considers it expedient in the interests of the Noteholders, the Trustee may, in the conduct of its trust business, instead of acting personally, employ and pay an agent selected by it, whether or not a lawyer or other professional person, to transact or conduct, or concur in transacting or conducting, any business and to do or concur in doing all acts required to be done by the Trustee (including the receipt and payment of money).
- 10.8 Delegation:** Whenever it considers it expedient in the interests of the Noteholders, the Trustee may delegate to any person on any terms (including power to sub-delegate) all or any of its functions. The Trustee shall inform the Issuer of such delegation as soon as practicable thereafter.
- 10.9 Nominees:** In relation to any asset held by it under this Trust Deed, the Trustee may appoint any person to act as its nominee on any terms.
- 10.10 Forged Notes:** The Trustee shall not be liable to the Issuer or any Noteholder or Couponholder by reason of having accepted as valid or not having rejected any Note, Coupon or Talon purporting to be such and later found to be forged or not authentic.
- 10.11 Confidentiality:** Unless ordered to do so by a court of competent jurisdiction, the Trustee shall not be required to disclose to any Noteholder or Couponholder any confidential financial or other information made available to the Trustee by the Issuer.

- 10.12 Determinations Conclusive:** As between itself and the Noteholders and Couponholders, the Trustee may determine all questions and doubts arising in relation to any of the provisions of this Trust Deed. Such determinations, whether made upon such a question actually raised or implied in the acts or proceedings of the Trustee, shall be conclusive and shall bind the Trustee, the Noteholders and the Couponholders.
- 10.13 Currency Conversion:** Where it is necessary or desirable to convert any sum from one currency to another, it shall (unless otherwise provided hereby or required by law) be converted at such rate or rates, in accordance with such method and as at such date as may reasonably be specified by the Trustee but having regard to current rates of exchange, if available. Any rate, method and date so specified shall be binding on the Issuer, the Noteholders and the Couponholders.
- 10.14 Events of Default etc.:** The Trustee may determine whether or not an Event of Default or Potential Event of Default is in its opinion capable of remedy and/or materially prejudicial to the interests of the Noteholders. Any such determination shall be conclusive and binding on the Issuer, the Noteholders and the Couponholders.
- 10.15 Payment for and Delivery of Notes:** The Trustee shall not be responsible for the receipt or application by the Issuer of the proceeds of the issue of the Notes, any exchange of Notes or the delivery of Notes to the persons entitled to them.
- 10.16 Notes Held by the Issuer etc.:** In the absence of knowledge or express notice to the contrary, the Trustee may assume without enquiry (other than requesting a certificate under sub-Clause 8.12) that no Notes are for the time being held by or on behalf of the Issuer or its Subsidiaries.
- 10.17 Legal Opinions:** The Trustee shall not be responsible to any person for failing to request, require or receive any legal opinion relating to any Notes or for checking or commenting upon the content of any such legal opinion.
- 10.18 Programme Limit:** The Trustee shall not be concerned, and need not enquire, as to whether or not any Notes are issued in breach of the Programme Limit.
- 10.19 Responsibility for agents etc.:** If the Trustee exercises reasonable care in selecting any custodian, agent, delegate or nominee appointed under this clause (an “**Appointee**”), it will not have any obligation to supervise the Appointee or be responsible for any loss, liability, cost, claim, action, demand or expense incurred by reason of the Appointee’s misconduct or default or the misconduct or default of any substitute appointed by the Appointee.
- 10.20 Action:** The Trustee shall not be bound to take any step, action or institute any proceedings in connection with this Trust Deed or any obligations arising pursuant thereto, including, without prejudice to the generality of the foregoing, forming any opinion or employing any financial adviser, where it is not satisfied that it will be indemnified and/or secured and/or prefunded to its satisfaction against all liabilities which may be incurred in connection with such step, action or instituting such proceedings and may demand prior to taking any such step, action or instituting such proceedings that there be paid to it in advance such sums as it considers (without prejudice to any further demand) shall be sufficient so to indemnify it.

11 Trustee liable for negligence

Section 1 of the Trustee Act 2000 shall not apply to any function of the Trustee, provided that if the Trustee fails to show the degree of care and diligence required of it as trustee, nothing

in this Trust Deed shall relieve or indemnify it from or against any liability that would otherwise attach to it in respect of any negligence, wilful default or fraud of which it may be guilty.

Notwithstanding any provision of these presents to the contrary, the Trustee shall not in any event be liable for indirect or consequential loss or damage of any kind whatsoever or any lost profits, business, goodwill or opportunity, whether or not foreseeable, even if the Trustee has been advised of the likelihood of such loss or damage.

12 Waiver

12.1 Waiver: The Trustee may, without the consent of the Noteholders or Couponholders and without prejudice to its rights in respect of any subsequent breach, from time to time and at any time, if in its opinion the interests of the Noteholders will not be materially prejudiced thereby, waive or authorise, on such terms as seem expedient to it, any breach or proposed breach by the Issuer of this Trust Deed or the Conditions or determine that an Event of Default or Potential Event of Default shall not be treated as such provided that the Trustee shall not do so in contravention of an express direction given by an Extraordinary Resolution or a request made pursuant to Condition 9. No such direction or request shall affect a previous waiver, authorisation or determination. Any such waiver, authorisation or determination shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, shall be notified to the Noteholders as soon as practicable.

13 Trustee not precluded from entering into contracts

The Trustee and any other person, whether or not acting for itself, may acquire, hold or dispose of any Note, Coupon, Talon or other security (or any interest therein) of the Issuer or any other person, may enter into or be interested in any contract or transaction with any such person and may act on, or as depositary or agent for, any committee or body of holders of any securities of any such person in each case with the same rights as it would have had if the Trustee were not acting as Trustee and need not account for any profit.

14 Modification and Substitution

14.1 Modification: The Trustee may agree, without the consent of the Noteholders or Couponholders, to any modification to this Trust Deed which is, in its opinion, of a formal, minor or technical nature or to correct a manifest error. The Trustee may also so agree to any modification to this Trust Deed that is in its opinion not materially prejudicial to the interests of the Noteholders, but such power does not extend to any such modification as is mentioned in the proviso to paragraph 2 of Schedule 3.

14.2 Substitution:

14.2.1 The Trustee may, without the consent of the Noteholders or Couponholders, agree to the substitution of the Issuer's successor in business or any Subsidiary of the Issuer or its successor in business, (in each case, the "**Substituted Obligor**") in place of the Issuer (or of any previous substitute under this sub-Clause) as the principal debtor under this Trust Deed, the Notes, the Coupons and the Talons provided that:

- (i) a supplemental trust deed is executed (the "**Supplemental Trust Deed**"), in form and manner satisfactory to the Trustee, pursuant to which the Substituted Obligor agrees to be bound by this Trust Deed, the Notes, the Coupons and the Talons (with consequential amendments as the Trustee

acting reasonably may deem appropriate) as if the Substituted Obligor had been named in this Trust Deed, the Notes, the Coupons and the Talons as the principal debtor in place of the Issuer;

- (ii) if the Substituted Obligor is subject generally to the taxing jurisdiction of a territory or any authority of or in that territory with power to tax (the “**Substituted Territory**”) other than the territory to the taxing jurisdiction of which (or to any such authority of or in which) the Issuer is subject generally (the “**Issuer’s Territory**”), the Substituted Obligor shall (unless the Trustee otherwise agrees) give to the Trustee an undertaking satisfactory to the Trustee in terms corresponding to Condition 7 with the substitution for the references in that Condition to the Issuer’s Territory of references to the Substituted Territory whereupon the Trust Deed, the Notes, the Coupons and the Talons shall be read accordingly;
- (iii) if any two directors of the Substituted Obligor certify that it is not insolvent (for the purposes of the provisions of the Italian Crisis Code, namely Legislative Decree No. 14 of 12 January 2019, as amended and supplemented from time to time) at the time of the relevant substitution, the Trustee need not have regard to the Substituted Obligor’s financial condition, profits or prospects or compare them with those of the Issuer and may rely on such certification without liability to any person;
- (iv) the Issuer and the Substituted Obligor comply with such other requirements as the Trustee may direct in the interests of the Noteholders; and
- (v) unless the Issuer’s successor in business is the Substituted Obligor the obligations of the Substituted Obligor under this Trust Deed, the Notes and the Coupons are guaranteed by the Issuer to the Trustee’s satisfaction.

14.2.2 Release of Substituted Issuer: An agreement by the Trustee pursuant to this sub-Clause 14.2 shall, if so expressed, release the Issuer (or a previous substitute) from any or all of its obligations under this Trust Deed, the Notes, the Coupons and the Talons. Notice of the substitution shall be given to the Noteholders within 14 days of the execution of such documents and compliance with such requirements.

14.2.3 Completion of Substitution: On completion of the formalities set out in this sub-Clause 14.2, the Substituted Obligor shall be deemed to be named in this Trust Deed, the Notes, the Coupons and the Talons as the principal debtor in place of the Issuer (or of any previous substitute) and this Trust Deed, the Notes, the Coupons and the Talons shall be deemed to be amended as necessary to give effect to the substitution.

15 Appointment, Retirement and Removal of the Trustee

15.1 Appointment: Subject as provided in sub-Clause 15.2, the Issuer has the power of appointing new trustees but no-one may be so appointed unless previously approved by an Extraordinary Resolution. A trust corporation shall at all times be a Trustee and may be the sole Trustee. Any appointment of a new Trustee shall be notified by the Issuer to the Noteholders as soon as practicable.

15.2 Retirement and Removal: Any Trustee may retire at any time on giving at least three months’ written notice to the Issuer without giving any reason or being responsible for any

costs occasioned by such retirement and the Noteholders may by Extraordinary Resolution remove any Trustee provided that the retirement or removal of a sole trust corporation shall not be effective until a trust corporation is appointed as successor Trustee. If a sole trust corporation gives notice of retirement or an Extraordinary Resolution is passed for its removal, the Issuer shall use all reasonable endeavours to procure that another trust corporation be appointed as Trustee but if it fails to do so before the expiry of such three month notice period, the Trustee shall have the power to appoint a new Trustee.

15.3 Co-Trustees: The Trustee may, despite sub-Clause 15.1, by written notice to the Issuer appoint anyone to act as an additional Trustee jointly with the Trustee:

15.3.1 if the Trustee considers the appointment to be in the interests of the Noteholders and/or the Couponholders;

15.3.2 to conform with a legal requirement, restriction or condition in a jurisdiction in which a particular act is to be performed; or

15.3.3 to obtain a judgment or to enforce a judgment or any provision of this Trust Deed in any jurisdiction.

Subject to the provisions of this Trust Deed, the Trustee may confer on any person so appointed such functions as it thinks fit. The Trustee may by written notice to the Issuer and that person remove that person. At the Trustee's request, the Issuer shall forthwith do all things as may be required to perfect such appointment or removal and it irrevocably appoints the Trustee as its attorney in its name and on its behalf to do so.

15.4 Competence of a Majority of Trustees: If there are more than two Trustees the majority of them shall be competent to perform the Trustee's functions provided the majority includes a trust corporation.

16 Notes held in Clearing Systems and Couponholders

16.1 Notes Held in Clearing Systems: So long as any Global Note is held on behalf of a clearing system, in considering the interests of Noteholders, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders or participants with entitlements to any such Global Note and may consider such interests on the basis that such accountholders or participants were the holder(s) thereof.

16.2 Couponholders: No notices need be given to Couponholders. They shall be deemed to have notice of the contents of any notice given to Noteholders. Even if it has express notice to the contrary, in exercising any of its functions by reference to the interests of the Noteholders, the Trustee shall assume that the holder of each Note is the holder of all Coupons and Talons relating to it.

17 Communications

17.1 Method: Each communication under this Trust Deed shall be made by fax, electronic communication or otherwise in writing. Each communication or document to be delivered to any party under this Trust Deed shall be sent to that party at the fax number, postal address or electronic address, and marked for the attention of the person (if any), from time to time designated by that party to each other party for the purpose of this Trust Deed. The fax number, postal address, electronic address and person so designated by the parties under this Trust Deed are set out in the Procedures Memorandum.

17.2 Deemed Receipt: Any communication from any party to any other under this Trust Deed shall be effective, (if by fax) when the relevant delivery receipt is received by the sender, (if in writing) when delivered and (if by electronic communication) when the relevant receipt of such communication being read is given, or where no read receipt is requested by the sender, at the time of sending, provided that no delivery failure notification is received by the sender within 24 hours of sending such communication; provided that any communication which is received (or deemed to take effect in accordance with the foregoing) outside business hours or on a non-business day in the place of receipt shall be deemed to take effect at the opening of business on the next following business day in such place. Any communication delivered to any party under this Trust Deed which is to be sent by fax or electronic communication will be written legal evidence.

18 Governing Law and Jurisdiction

18.1 Governing Law: This Trust Deed and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law other than Condition 14 (*Meetings of Noteholders, Modification, Waiver and Substitution – Meeting of Noteholders*) and the provisions of the Trust Deed concerning the meetings of Noteholders and the appointment of a Noteholders' Representative in respect of the Notes which are subject to compliance with the laws of the Republic of Italy.

18.2 Jurisdiction: The courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with this Trust Deed, the Notes, the Coupons or the Talons and accordingly any legal action or proceedings arising out of or in connection with this Trust Deed, the Notes, the Coupons or the Talons ("**Proceedings**") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of such courts and waives any objections to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This Clause is for the benefit of each of the Trustee, the Noteholders and the Couponholders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

18.3 Service of Process: The Issuer irrevocably appoints Law Debenture Corporate Services Limited of 8th Floor, 100 Bishopsgate, London, EC2N 4AG, United Kingdom to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer). If for any reason such process agent ceases to be able to act as such or no longer has an address in England the Issuer irrevocably agrees to appoint a substitute process agent acceptable to the Trustee and shall immediately notify the Trustee of such appointment. Nothing shall affect the right to serve process in any other manner permitted by law.

19 Electronic signature

Aggregate Principal Amount

The aggregate principal amount from time to time of this temporary Global Note shall be an amount equal to the aggregate principal amount of the Notes as shall be shown by the latest entry in the fourth column of the First Schedule hereto, which shall be completed by or on behalf of the Issuing and Principal Paying Agent upon (i) the issue of Notes represented hereby, (ii) the exchange of the whole or a part of this temporary Global Note for a corresponding interest in a permanent Global Note or, for Definitive Notes and/or (iii) the redemption or purchase and cancellation of Notes represented hereby, all as described below.

Subject as provided herein, the Issuer, for value received, promises to pay to the bearer of this temporary Global Note, upon presentation and (when no further payment is due in respect of this temporary Global Note) surrender of this temporary Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the aggregate principal amount of Notes represented by this temporary Global Note and (unless this temporary Global Note does not bear interest) to pay interest in respect of the Notes from the Interest Commencement Date in arrear at the rates, on the dates for payment, and in accordance with the method of calculation provided for in the Conditions, save that the calculation is made in respect of the total aggregate amount of the Notes, together with such other sums and

additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

Exchange

On or after the date (the “**Exchange Date**”) which is 40 days after the Issue Date, this temporary Global Note may be exchanged (free of charge) in whole or (in the case of a D Rules Note only) from time to time in part by its presentation and, on exchange in full, surrender to or to the order of the Issuing and Principal Paying Agent for (i) interests in a permanent Global Note or, if so specified in Part A of the Second Schedule hereto, (ii) Definitive Notes, in an aggregate principal amount equal to the principal amount of this temporary Global Note submitted for exchange provided that, in the case of any part of a D Rules Note submitted for exchange for a permanent Global Note or Definitive Notes, there shall have been Certification with respect to such principal amount submitted for such exchange dated no earlier than the Exchange Date.

“**Certification**” means the presentation to the Issuing and Principal Paying Agent of a certificate or certificates with respect to one or more interests in this temporary Global Note, signed by Euroclear or Clearstream, Luxembourg, substantially to the effect set out in Schedule 4 to the Agency Agreement to the effect that it has received a certificate or certificates substantially to the effect set out in Schedule 3 to the Agency Agreement with respect thereto and that no contrary advice as to the contents thereof has been received by Euroclear or Clearstream, Luxembourg, as the case may be.

Upon the whole or a part of this temporary Global Note being exchanged for a permanent Global Note, such permanent Global Note shall be exchangeable in accordance with its terms for Definitive Notes.

The Definitive Notes for which this temporary Global Note or a permanent Global Note may be exchangeable shall be duly executed and authenticated, shall, in the case of Definitive Notes, have attached to them all Coupons (and, where appropriate, Talons) in respect of interest that have not already been paid on this temporary Global Note or the permanent Global Note, as the case may be, shall be security printed and shall be substantially in the form set out in the Schedules to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Second Schedule hereto.

On any exchange of a part of this temporary Global Note for an equivalent interest in a permanent Global Note or for Definitive Notes, as the case may be, the portion of the principal amount hereof so exchanged shall be endorsed by or on behalf of the Issuing and Principal Paying Agent in the First Schedule hereto, whereupon the principal amount hereof shall be reduced for all purposes by the amount so exchanged and endorsed.

Benefit of Conditions

Except as otherwise specified herein, this temporary Global Note is subject to the Conditions and the Trust Deed and, until the whole of this temporary Global Note is exchanged for equivalent interests in a permanent Global Note or for Definitive Notes, the bearer of this temporary Global Note shall in all respects be entitled to the same benefits as if it were the bearer of the permanent Global Note (or the relevant part of it) or the Definitive Notes, as the case may be, for which it may be exchanged as if such permanent Global Note or Definitive Notes had been issued on the Issue Date.

Each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount

of the Notes represented by this temporary Global Note (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the principal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee, the Issuing and Principal Paying Agent and any other Paying Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal and interest on such principal amount of such Notes, the right to which shall be vested, as against the Issuer, solely in the bearer of this temporary Global Note in accordance with and subject to the terms of this temporary Global Note and the Trust Deed.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this temporary Global Note that falls due on or after the Exchange Date unless, upon due presentation of this temporary Global Note for exchange, delivery of (or, in the case of a subsequent exchange, due endorsement of) a permanent Global Note or delivery of Definitive Notes, as the case may be, is improperly withheld or refused by or on behalf of the Issuer.

Payments due in respect of a D Rules Note before the Exchange Date shall only be made in relation to such principal amount of this temporary Global Note with respect to which there shall have been Certification dated no earlier than such due date for payment.

Any payments that are made in respect of this temporary Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing and Principal Paying Agent or of any other Paying Agent provided for in the Conditions. If any payment in full of principal is made in respect of any Note represented by this temporary Global Note, the portion of this temporary Global Note representing such Note shall be cancelled and the amount so cancelled shall be endorsed by or on behalf of the Issuing and Principal Paying Agent in the First Schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made) whereupon the principal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed. If any other payments are made in respect of the Notes represented by this temporary Global Note, a record of each such payment shall be endorsed by or on behalf of the Issuing and Principal Paying Agent on an additional schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made). Condition 5.2 will apply to the Definitive Notes only.

Cancellation

Cancellation of any Note represented by this temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the principal amount of this temporary Global Note representing such Note on its presentation to or to the order of the Issuing and Principal Paying Agent for endorsement in the First Schedule hereto, whereupon the principal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

No provision of this temporary Global Note shall be implied so as to alter or impair the obligation of the Issuer to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions.

Further information relating to the Issuer is provided pursuant to Article 2414 of the Italian Civil Code in the Fourth Schedule hereto.

This temporary Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Principal Paying Agent.

This temporary Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.

Other capitalised terms used in this permanent Global Note shall have the meanings given to them in the Conditions or the amended and restated trust deed (as amended or supplemented as at the Issue Date, the “**Trust Deed**”) dated 28 June 2024 between the Issuer and Deutsche Trustee Company Limited as trustee.

Aggregate Principal Amount

The aggregate principal amount from time to time of this permanent Global Note shall be an amount equal to the aggregate principal amount of the Notes as shall be shown by the latest entry in the fourth column of the First Schedule hereto, which shall be completed by or on behalf of the Issuing and Principal Paying Agent upon (i) the exchange of the whole or a part of the temporary Global Note initially representing the Notes for a corresponding interest herein (in the case of Notes represented by a temporary Global Note upon issue), (ii) the issue of the Notes represented hereby (in the case of Notes represented by this permanent Global Note upon issue), (iii) the exchange of the whole or, where the limited circumstances so permit, a part of this permanent Global Note for Definitive Notes and/or (iv) the redemption or purchase and cancellation of Notes represented hereby, all as described below.

Subject as provided herein, the Issuer, for value received, hereby promises to pay to the bearer of this permanent Global Note, upon presentation and (when no further payment is due in respect of this permanent Global Note) surrender of this permanent Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) the amount payable upon redemption under the Conditions in respect of the aggregate principal amount of Notes represented by this permanent Global Note and (unless this permanent Global Note does not bear interest) to pay interest in respect of the Notes from the Interest Commencement Date in arrear at the rates, on the dates for payment, and in accordance with the method of calculation provided for in the Conditions, save that the

calculation is made in respect of the total aggregate amount of the Notes, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

Exchange

This permanent Global Note may be exchanged in whole but not in part (free of charge) for security printed Definitive Notes either, as specified in Part A of the Third Schedule hereto:

- (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system satisfactory to the Trustee is available.

Following the occurrence of an Exchange Event:

Benefit of Conditions

Except as otherwise specified herein, this permanent Global Note is subject to the Conditions and the Trust Deed and, until the whole of this permanent Global Note is exchanged for Definitive Notes, the holder of this permanent Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Definitive Notes for which it may be exchanged and as if such Definitive Notes had been issued on the Issue Date.

Each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular principal amount of the Notes represented by this permanent Global Note (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the principal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee, the Issuing and Principal Paying Agent and any other Paying Agent as the holder of such principal amount of such Notes for all purposes other than with respect to the payment of principal and interest on such principal amount of such Notes, the right to which shall be vested, as against the Issuer, solely in the bearer of this permanent Global Note in accordance with and subject to the terms of this permanent Global Note and the Trust Deed.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this permanent Global Note that falls due after an Exchange Date for such Notes, unless upon due presentation of this permanent Global Note for exchange, delivery of Definitive Notes is improperly withheld or refused by or on behalf of the Issuer or the Issuer does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes.

Payments in respect of this permanent Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing and Principal Paying Agent or of any other Paying Agent provided for in the Conditions. A record of each such payment shall be endorsed on the First or Second Schedule hereto, as appropriate, by the Issuing and Principal Paying Agent or by the relevant Paying Agent, for and on behalf of the Issuing and Principal Paying Agent, which endorsement shall (until the contrary is proved) be *prima facie* evidence that the payment in question has been made. No person shall be entitled to receive any payment in respect of the Notes represented by this permanent Global Note that falls due after an Exchange Date for such Notes, unless upon due presentation of this permanent Global Note for exchange, delivery of Definitive Notes is improperly withheld or refused by or on behalf of the Issuer or the Issuer does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes.

The Issuer shall procure that details of each such payment shall be entered *pro rata* in the records of the relevant Clearing Systems and in the case of any payment of principal and upon any such entry being made, the principal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this permanent Global Note shall be reduced by the aggregate principal amount of the Notes so redeemed. Issuer's Options

Any option of the Issuer provided for in the Conditions shall be exercised by the Issuer giving notice to the Noteholders and the relevant Clearing Systems (or procuring that such notice is given on its behalf) within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the case of a partial exercise of an option, the rights of accountholders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear and/or Clearstream, Luxembourg and shall be reflected in the records of Euroclear and/or Clearstream, Luxembourg as either a pool factor or a reduction in principal amount, at their discretion. Following the exercise of any such option, the Issuer shall procure that the principal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this permanent Global Note shall be reduced accordingly.

Schedule 2
Part B
Terms and Conditions of the Notes

This Note is one of a Series (as defined below) of Notes issued by 2i Rete Gas S.p.A. (the “**Issuer**”) constituted by an amended and restated Trust Deed (such Trust Deed as modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”) dated 28 June 2024 made between the Issuer and Deutsche Trustee Company Limited (the “**Trustee**”, which expression shall include any successor as Trustee).

References herein to the “**Notes**” shall be references to the Notes of this Series and shall mean:

- (a) in relation to any Notes represented by a global Note (a “**Global Note**”), units of each Specified Denomination in the Specified Currency;
- (b) any Global Note; and
- (c) any definitive Notes issued in exchange for a Global Note.

The Notes and the Coupons (as defined below) have the benefit of an amended and restated Agency Agreement (such Agency Agreement as amended and/or supplemented and/or restated from time to time, the “**Agency Agreement**”) dated 28 June 2024 and made between the Issuer, Deutsche Bank AG, London Branch as issuing and principal paying agent (the “**Agent**”, which expression shall include any successor agent) and the other paying agents named therein (together with the Agent, the “**Paying Agents**”, which expression shall include any additional or successor paying agents).

The final terms for this Note (or the relevant provisions thereof) are set out in Part A of the Final Terms attached to or endorsed on this Note which complete these Terms and Conditions (the “**Conditions**”). References to the “**applicable Final Terms**” are, unless otherwise stated, to Part A of the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note.

Interest bearing definitive Notes have interest coupons (“**Coupons**”) and, in the case of Notes which, when issued in definitive form, have more than 27 interest payments remaining, talons for further Coupons (“**Talons**”) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Global Notes do not have Coupons or Talons attached on issue.

The Trustee acts for the benefit of the holders for the time being of the Notes (the “**Noteholders**”, which expression shall, in relation to any Notes represented by a Global Note, be construed as provided below) and the holders of the Coupons (the “**Couponholders**”, which expression shall, unless the context otherwise requires, include the holders of the Talons) in accordance with the provisions of the Trust Deed.

As used herein, “**Tranche**” means Notes which are identical in all respects (including as to listing and admission to trading) and “**Series**” means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (a) expressed to be consolidated and form a single series and (b) identical in all respects (including as to listing and admission to trading) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Copies of the Trust Deed and the Agency Agreement are available for inspection during normal business hours at the registered office of the Trustee and at the specified office of each of the Paying Agents. If the Notes are to be admitted to trading on the regulated market of The Irish Stock Exchange plc trading as Euronext Dublin (“**Euronext Dublin**”) the applicable Final Terms

will be published on the website of Euronext Dublin (www.euronext.com/en/markets/Dublin) and copies thereof will be available for viewing at the registered office of the Issuer and at the specified office of each Paying Agent and copies may be obtained from those offices.

The Noteholders and the Couponholders are deemed to have notice, and are bound by all the provisions, of the Trust Deed, the Agency Agreement and the applicable Final Terms. The statements in the Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed and the Agency Agreement.

Words and expressions defined in the Trust Deed, the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in the Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Trust Deed and the Agency Agreement, the Trust Deed will prevail and, in the event of inconsistency between the Trust Deed or the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

In the Conditions, “euro” means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended.

1 Form, Denomination and Title

The Notes are in bearer form and, in the case of definitive Notes, serially numbered, in the currency (the “**Specified Currency**”) and the denominations (the “**Specified Denomination(s)**”) specified in the applicable Final Terms. Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination.

This Note may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Inflation Linked Note (being either an Inflation Linked Interest Note, an Inflation Linked Redemption Note or a combination of the two) or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

Definitive Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in the Conditions are not applicable.

Subject as set out below, title to the Notes and Coupons will pass by delivery. The Issuer, the Trustee and the Paying Agents will (except as otherwise required by law) deem and treat the bearer of any Note or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear Bank SA/NV (“**Euroclear**”) and/or Clearstream Banking, S.A. (“**Clearstream, Luxembourg**”), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee and the Paying Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the Issuer, any Paying Agent and the Trustee as the holder of

such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions “**Noteholder**” and “**holder of Notes**” and related expressions shall be construed accordingly. In determining whether a particular person is entitled to a particular nominal amount of Notes as aforesaid, the Trustee may rely on such evidence and/or information and/or certification as it shall, in its absolute discretion, think fit and, if it does so rely, such evidence and/or information and/or certification shall, in the absence of manifest error, be conclusive and binding on all concerned.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be. References to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in Part B of the applicable Final Terms.

2 Status of the Notes

The Notes and any relative Coupons are direct, unconditional, unsubordinated and (subject to the provisions of Condition 3 (*Negative Pledge*)) unsecured obligations of the Issuer and rank *pari passu* among themselves and (save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Issuer, from time to time outstanding.

3 Negative Pledge

So long as any of the Notes or Coupons remains outstanding, the Issuer will not, and will ensure that none of its Material Subsidiaries will, create or permit to subsist any Security upon the whole or any part of the assets or revenues (including any uncalled capital), present or future, of the Issuer and/or any of its Material Subsidiaries to secure any Indebtedness, except for Permitted Encumbrances, unless:

- (a) the same Security shall forthwith, to the satisfaction of the Trustee in its absolute discretion, be extended equally and rateably to secure all amounts payable under the Notes, any related Coupons and the Trust Deed; or
- (b) such other Security or guarantee (or other arrangement) is provided either (A) as the Trustee in its absolute discretion deems not materially less beneficial to the interests of the Noteholders or (B) as is approved by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders.

- (b) to which is transferred the whole or substantially the whole of the undertaking and assets of a Subsidiary of the Issuer which immediately before the transfer is a Material Subsidiary of the Issuer.

- (d) any Security securing Project Finance Indebtedness; or
- (e) any Security which is created in connection with, or pursuant to, a limited-recourse financing, factoring, securitisation, asset-backed commercial paper programme or other like arrangement where the payment obligations in respect of the Indebtedness secured by the relevant Security are to be discharged solely from the revenues generated by the assets over which such Security is created (including, without limitation, receivables); or
- (f) any Security created after the date of issuance of the Notes on any asset acquired by the person creating the Security and securing only Indebtedness incurred for the sole purpose of financing or re-financing that acquisition, provided that the principal amount of such Indebtedness so secured does not exceed the overall cost of that acquisition; or

- (a) which is incurred by a Project Finance Subsidiary; or
- (b) in respect of which the Person or Persons to whom any such Indebtedness is or may be owed by the relevant borrower (whether or not a member of the Group) has or have no recourse whatsoever to any member of the Group (other than a Project Finance Subsidiary) for the repayment thereof other than:
- (i) recourse for amounts limited to the cash flow or the net cash flow (other than historic cash flow or historic net cash flow) from such asset or assets or the income or other proceeds deriving therefrom; and/or
- (ii) recourse for the purpose only of enabling amounts to be claimed in respect of such Indebtedness in an enforcement of any Security given by such borrower over such asset or assets or the income, cash flow or other proceeds, deriving therefrom (or given by any shareholder or the like in the borrower over its shares or the like in the capital of the borrower) to secure such Indebtedness,

provided that (a) the extent of such recourse is limited solely to the amount of any recoveries made on any such enforcement, and (b) such Person or Persons is or are not entitled, by virtue of any right or claim arising out of or in connection with such Indebtedness, to commence any proceedings of whatever nature against any member of the Group (other than a Project Finance Subsidiary) and (c) an equity contribution in the borrower or completion guarantees by the Issuer or Material Subsidiary, according to the then project finance market standard, shall not be deemed as a “recourse” to the relevant member of the Group;

4 Interest

4.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in these Conditions:

“Day Count Fraction” means, in respect of the calculation of an amount of interest, in accordance with this Condition 4.1 (*Interest on Fixed Rate Notes*):

- (a) if “Actual/Actual (ICMA)” is specified in the applicable Final Terms:
- (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **“Accrual Period”**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
- (ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:

- (A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (b) if “30/360” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

“**Determination Period**” means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

“**Fixed Interest Period**” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (a) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note; or
- (b) in the case of Fixed Rate Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

In these Conditions, “**sub-unit**” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

4.2 Interest on Floating Rate Notes and Inflation Linked Interest Notes

(a) Interest Payment Dates

Each Floating Rate Note and Inflation Linked Interest Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an “**Interest Payment Date**”) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In the Conditions, “**Interest Period**” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 4.2 (a)(ii) (*Interest – Interest on Floating Rate Notes and Inflation Linked Interest Notes – Interest Payment Dates*) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (2) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (1) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (2) each subsequent Interest Payment Date shall be the last Business Day in the month which falls in the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Conditions, “**Business Day**” means a day which is both:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Additional Business Centre specified in the applicable Final Terms; and
- (b) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney or Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which T2 is open for the settlement of payments in euro.

In these Conditions, “T2” means the real time gross settlement system operated by the Eurosystem, or any successor or replacement system.

(b) Rate of Interest – Floating Rate Notes

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms.

(i) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this subparagraph (i), “**ISDA Rate**” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the “**ISDA Definitions**”) and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is the day specified in the applicable Final Terms.

For the purposes of this subparagraph (i), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**” and “**Reset Date**” have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

(ii) Screen Rate Determination for Floating Rate Notes

- (A) *Floating Rate Notes other than CMS Linked Interest Notes and Constant Maturity BTP Linked Interest Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- i. the offered quotation; or
- ii. the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being EURIBOR, as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at the Specified Time on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of i. above, no offered quotation appears or, in the case of ii. above, fewer than three offered quotations appear, in each case as at the Specified Time, the Agent shall promptly inform the Issuer of any such circumstances. The Issuer, or a third party/independent advisor appointed by the Issuer, shall then request each of the Reference Banks to provide the Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question.

If two or more of the Reference Banks provide the Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant

Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Agent it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

For the purposes of these Conditions:

“EURIBOR” means the Euro-zone inter-bank offered rate.

“Interest Determination Date” has the meaning specified in the applicable Final Terms.

“Reference Banks” means, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in each case selected by the Issuer, or by a third party/independent advisor appointed by the Issuer, and approved in writing by the Trustee.

“Specified Time” means 11.00 a.m. (Brussels time, in the case of a determination of EURIBOR).

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

(B) *Floating Rate Notes which are CMS Linked Interest Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be determined by the Calculation Agent by reference to the following formula where CMS Reference Rate is specified as the Reference Rate in the applicable Final Terms:

CMS Rate plus Margin

If the Relevant Screen Page is not available, the Issuer, or a third party/independent advisor appointed by the Issuer, shall request each of the CMS Reference Banks to provide the Calculation Agent with its quotation for the Relevant Swap Rate at approximately the Specified Time on the Interest Determination Date in question. If at least three of the CMS Reference Banks provide the Calculation Agent with such quotation, the CMS Rate for such Interest Period shall be the arithmetic mean of such quotations, after eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest).

If on any Interest Determination Date less than three or none of the CMS Reference Banks provides the Calculation Agent with such quotations as provided in the preceding paragraph, the CMS Rate shall be determined by the Issuer or, if appointed, the Financial Adviser, in good faith on such commercial basis as considered appropriate by the Issuer or, if appointed, the Financial Adviser in its discretion, in accordance with standard market practice.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

For the purposes of this paragraph (B) of Condition 4.2:

“CMS Rate” shall mean the applicable swap rate for swap transactions in the Reference Currency with a maturity of the Designated Maturity, expressed as a percentage, which appears on the Relevant Screen Page as at the Specified Time on the Interest Determination Date in question, all as determined by the Calculation Agent.

“CMS Reference Banks” means (i) where the Reference Currency is Euro, the principal office of five leading swap dealers in the inter-bank market, (ii) where the Reference Currency is Sterling, the principal London office of five leading swap dealers in the London inter-bank market, (iii) where the Reference Currency is United States dollars, the principal New York City office of five leading swap dealers in the New York City inter-bank market, or (iv) in the case of any other Reference Currency, the principal Relevant Financial Centre office of five leading swap dealers in the Relevant Financial Centre inter-bank market, in each case selected by the Issuer (following, where practicable, consultation with the Agent), or by a third party/independent advisor appointed by the Issuer, and approved in writing by the Trustee.

“Designated Maturity”, “Margin”, “Relevant Screen Page” and **“Specified Time”** shall have the meaning given to those terms in the applicable Final Terms.

“Financial Advisor” means an independent financial adviser with appropriate expertise and international repute as selected by the Issuer.

“Relevant Swap Rate” means:

- (i) where the Reference Currency is Euro, the mid-market annual swap rate determined on the basis of the arithmetic mean of the bid and offered rates for the annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating euro interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/360 day count basis, is equivalent to EUR-EURIBOR-Reuters (as defined in the ISDA Definitions) with a designated maturity determined by the Agent by reference to standard market practice and/or the ISDA Definitions;
- (ii) where the Reference Currency is any other currency or if the Final Terms specify otherwise, the mid-market swap rate as determined in accordance with the applicable Final Terms.

“Representative Amount” means an amount that is representative for a single transaction in the relevant market at the relevant time.

(C) *Floating Rate Notes which are Constant Maturity BTP Linked Interest Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and Constant Maturity BTP Rate is specified as the Reference Rate in the applicable Final Terms, the Rate of Interest for each Interest Period will, subject as provided below, be the gross yield before taxes of Italian government bonds with a maturity of the Designated Maturity, expressed as a percentage, which appears on the Relevant Screen Page (or such replacement page on that service which displays the information) at the Specified Time on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent.

If on any Interest Determination Date the Relevant Screen Page (or such replacement page on that service which displays the information) is not available, the Constant Maturity BTP Rate for such Interest Determination Date shall be determined by the Calculation Agent, acting in good faith and in a commercially reasonable manner, as the gross yield before taxes based on the mid-market price for Italian government bonds with a maturity of the Designated Maturity, or as close to the Designated Maturity as considered appropriate by the Calculation Agent in its discretion, and in a Representative Amount at the Specified Time on the Interest Determination Date in question and shall be the arithmetic mean of quotations obtained from three Constant Maturity BTP Reference Banks selected by the

Issuer, or by a third party/independent advisor appointed by the Issuer (from five such Constant Maturity BTP Reference Banks after eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest)).

If on any Interest Determination Date fewer than three or none of the Constant Maturity BTP Reference Banks provides the Calculation Agent with quotations for such prices as provided in the preceding paragraph, the Constant Maturity BTP Rate shall be determined by the Issuer or, if appointed, the Financial Adviser, in good faith on such commercial basis as considered appropriate by the Issuer or, if appointed, the Financial Adviser in its discretion, in accordance with standard market practice.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

For the purposes of this paragraph (C) of Condition 4.2:

“Constant Maturity BTP Reference Bank” means the principal office of any *“Specialist in Italian Government Bonds”* included in the *“List of Specialists in Government Bonds” (Elenco Specialisti in Titoli di Stato)* published by the Department of Treasury (*Dipartimento del Tesoro*) from time to time.

“Designated Maturity”, “Margin”, “Relevant Screen Page” and “Specified Time” shall have the meaning given to those terms in the applicable Final Terms.

“Financial Advisor” means an independent financial adviser with appropriate expertise and international repute as selected by the Issuer.

“Representative Amount” means an amount that is representative for a single transaction in the relevant market at the relevant time.

(c) Rate of Interest – Inflation Linked Interest Notes

The Rate of Interest payable from time to time in respect of Inflation Linked Interest Notes for each Interest Period will be determined by the Calculation Agent, or other party specified in the applicable Final Terms, on the relevant Interest Determination Date in accordance with the following formula:

$$\text{Rate of Interest} = [\text{Rate Multiplier}] * \left(\frac{\text{DIR}(t)}{\text{DIR}(0)} \right)$$

subject to the Minimum Rate of Interest or the Maximum Rate of Interest if, in either case, designated as applicable in the applicable Final Terms in which case the provisions of paragraph (d) below of Condition 4.2 (*Interest – Interest on Floating Rate Notes and Inflation Linked Interest Notes – Minimum Rate of Interest and/or Maximum Rate of Interest*) shall apply as appropriate.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

The Rate of Interest and the result of DIR(t) divided by DIR(0) shall be rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards.

Definitions

For the purposes of the Conditions:

“**Day of Month**” means the actual number of calendar days since the start of the relevant month;

“**Days in Month**” means the number of calendar days in the relevant month;

“**DIR(0)**” means the value specified in the applicable Final Terms and being the value as calculated in accordance with the following formula (where month “t” is the month and year in which the Trade Date falls):

$$\text{DIR}(0) = \text{Inflation Index}(t - \text{Lookback Period 1}) + [\text{Inflation Index}(t - \text{Lookback Period 2}) - \text{Inflation Index}(t - \text{Lookback Period 1})] * [(\text{DayOfMonth} - 1) / \text{DaysInMonth}],$$

rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards;

“**DIR(t)**” means in respect of the Specified Interest Payment Date falling in month “t”, the value calculated in accordance with the following formula:

$$\text{DIR}(t) = \text{Inflation Index}(t - \text{Lookback Period 1}) + [\text{Inflation Index}(t - \text{Lookback Period 2}) - \text{Inflation Index}(t - \text{Lookback Period 1})] * [(\text{DayOfMonth} - 1) / \text{DaysInMonth}],$$

rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards;

“**Inflation Index**” means the relevant inflation index set out in Annex I to this Base Prospectus specified in the applicable Final Terms;

“**Inflation Index (t – Lookback Period 1)**” means the value of the Inflation Index for the month that is the number of months in the Lookback Period 1 prior to the month “t” in which the relevant Specified Interest Payment Date falls;

“**Inflation Index (t – Lookback Period 2)**” means the value of the Inflation Index for the month that is the number of months in the Lookback Period 2 prior to the month “t” in which the relevant Specified Interest Payment Date falls; and

“**Rate Multiplier**” has the meaning given to it in the applicable Final Terms, provided that if Rate Multiplier is specified as “Not Applicable”, the Rate Multiplier shall be deemed to be equal to one.

(d) Minimum Rate of Interest and/or Maximum Rate of Interest

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above or paragraph (c) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period

determined in accordance with the provisions of paragraph (b) above or paragraph (c) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(e) Determination of Rate of Interest and calculation of Interest Amounts

The Agent, in the case of Floating Rate Notes, other than Floating Rate Notes providing for a Reference Rate different from EURIBOR, CMS Linked Interest Notes and Constant Maturity BTP Linked Interest Notes, and the Calculation Agent, in the case of Floating Rate Notes which provide for a Reference Rate different from EURIBOR or which are CMS Linked Interest Notes and Constant Maturity BTP Linked Interest Notes and Inflation Linked Interest Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Floating Rate Notes which provide for a Reference Rate different from EURIBOR or which are CMS Linked Interest Notes and Constant Maturity BTP Linked Interest Notes and Inflation Linked Interest Notes, the Calculation Agent will notify the Agent of the Rate of Interest for the relevant Interest Period promptly after calculating the same.

The Agent will calculate the amount of interest (the “**Interest Amount**”) payable on the Floating Rate Notes or Inflation Linked Interest Notes for the relevant Interest Period by applying the Rate of Interest to:

- (i) in the case of Floating Rate Notes or Inflation Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or
- (ii) in the case of Floating Rate Notes or Inflation Linked Interest Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or an Inflation Linked Interest Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

In the case of Inflation Linked Interest Notes, if an Initial Ratio Amount is specified in the applicable Final Terms as applicable, the amount payable on the first Interest Payment Date in respect of the aggregate nominal amount of the Notes for the time being outstanding shall be the sum of the relevant Interest Amount (in respect of the period from and including the Interest Commencement Date to but excluding the first Interest Payment Date) plus an amount equal to the product of the Initial Ratio Amount multiplied by $DIR(t)/DIR(0)$ (or in the event the Interest Amount referred to above is calculated in respect of Notes in definitive form, a pro rata proportion of such amount) (such sum shall be rounded (if necessary) to the nearest euro cent with half a euro cent being rounded upwards).

“Day Count Fraction” means, in respect of the calculation of an amount of interest in accordance with this Condition 4.2 (*Interest on Floating Rate Notes and Inflation Linked Interest Notes*):

- (i) if “Actual/Actual (ISDA)” or “Actual/Actual” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if “Actual/365 (Sterling)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y₁ is the year, expressed as a number, in which the first day of the Interest Period falls;

Y₂ is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M₁ is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

M₂ is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

D₁ is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

D₂ is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (vi) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y₁ is the year, expressed as a number, in which the first day of the Interest Period falls;

Y₂ is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M₁ is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

M₂ is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

D₁ is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

D₂ is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

- (vii) if “30E/360 (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

Y₁ is the year, expressed as a number, in which the first day of the Interest Period falls;

Y₂ is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

M₁ is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

M₂ is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

D₁ is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

D₂ is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30.

“**Initial Ratio Amount**” means the value specified in the applicable Final Terms, if applicable.

(f) Linear Interpolation

If the applicable Final Terms specifies Linear Interpolation as being applicable in respect of an Interest Period, the Rate of Interest for such Interest Period shall be calculated by the Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is

specified hereon as applicable) or the relevant Floating Rate Option (where ISDA Determination is specified hereon as applicable), one of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period, provided, however, that if there is no rate available for the period of time next shorter or, as the case may be, next longer, then the Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

“**Applicable Maturity**” means: (a) in relation to Screen Rate Determination, the period of time designated in the Reference Rate and, (b) in relation to ISDA Determination, the Designated Maturity.

(g) Notification of Rate of Interest and Interest Amounts

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Trustee and any stock exchange on which the relevant Floating Rate Notes or Inflation Linked Interest Notes are for the time being listed and notice thereof to be published in accordance with Condition 13 (*Notices*) as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will promptly be notified by the Agent to each stock exchange on which the relevant Floating Rate Notes or Inflation Linked Interest Notes are for the time being listed and to the Noteholders in accordance with Condition 13 (*Notices*). For the purposes of this paragraph, the expression “**London Business Day**” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(h) Certificates to be final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4.2 (*Interest on Floating Rate Notes and Inflation Linked Interest Notes*), whether by the Agent, or if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the Calculation Agent (if applicable), the other Paying Agents and all Noteholders and Couponholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Noteholders or the Couponholders shall attach to the Agent or, if applicable, the Calculation Agent or the Trustee in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

4.3 Inflation Linked Note Provisions

4.3.1 Definitions

For the purposes of Inflation Linked Interest Notes and Inflation Linked Redemption Notes:

“Additional Disruption Event” means any of Change of Law, Hedging Disruption and/or Increased Cost of Hedging, in each case if specified in the applicable Final Terms.

“Change in Law” means that, on or after the Trade Date (as specified in the applicable Final Terms):

- (a) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or
- (b) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority),

the Calculation Agent determines in its discretion that (i) it has become illegal to hold, acquire or dispose of any relevant hedging arrangements in respect of the Inflation Index or (ii) any Hedging Party will incur a materially increased cost in performing its obligations in relation to the Notes (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on the tax position of the Issuer, any of its affiliates or any other Hedging Party).

“Cut-Off Date” means, in respect of a Determination Date, five (5) Business Days prior to any due date for payment under the Notes for which valuation on the relevant Determination Date is relevant, unless otherwise stated in the applicable Final Terms.

“Delayed Index Level Event” means, in respect of any Determination Date and an Inflation Index, that the relevant Inflation Index Sponsor fails to publish or announce the level of such Inflation Index (the **“Relevant Level”**) in respect of any Reference Month which is to be utilised in any calculation or determination to be made by the Issuer in respect of such Determination Date, at any time on or prior to the Cut-Off Date.

“Determination Date” means each of the Interest Determination Date and the Redemption Determination Date, as the case may be, specified as such in the applicable Final Terms.

“End Date” means each date specified as such in the applicable Final Terms.

“Fallback Bond” means, in respect of an Inflation Index, a bond selected by the Issuer or a third party agent (being an independent financial institution of international repute or an independent financial adviser with appropriate expertise) as appointed by the Issuer and issued by the government of the country to whose level of inflation the relevant Inflation Index relates and which pays a coupon or redemption amount which is calculated by reference to such Inflation Index, with a maturity date which falls on (a) the End Date specified in the applicable Final Terms, (b) the next longest maturity after the End Date if there is no such bond maturing on the End Date, or (c) the next shortest maturity before the End Date if no bond defined in (a) or (b) is selected by the Issuer or the third party agent. If the relevant Inflation Index relates to the level of inflation across the European Monetary Union, the Issuer or the third party agent will select an inflation-linked bond that is a debt obligation of one of the governments (but not any government agency) of France, Italy, Germany or Spain and which pays a coupon or redemption amount which is calculated by reference to the level of inflation in the European Monetary Union. In each case, the Issuer or the third party agent will select the Fallback Bond from those inflation-linked bonds issued on or before the Issue Date and, if there is more than one inflation-linked bond maturing on the same date, the Fallback Bond shall be selected by the Issuer or the third party agent from those bonds.

If the Fallback Bond redeems, the Issuer or the third party agent will select a new Fallback Bond on the same basis, but notwithstanding the immediately prior sentence, selected from all eligible bonds in issue at the time the original Fallback Bond redeems (including any bond for which the redeemed bond is exchanged).

“Hedging Disruption” means that any Hedging Party is unable, after using commercially reasonable efforts, to (a) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the relevant price risk of the Issuer issuing and performing its obligations with respect to the Notes, or (b) freely realise, recover, remit, receive, repatriate or transfer the proceeds of any such transaction(s) or asset(s), as determined by the Calculation Agent.

“Hedging Party” means at any relevant time, the Issuer, or any of its affiliates or any other party providing the Issuer directly or indirectly with hedging arrangements in relation to the Notes as the Issuer may select at such time.

“Increased Cost of Hedging” means that any Hedging Party would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (a) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the market risk (including, without limitation, price risk, foreign exchange risk and interest rate risk) of the Issuer issuing and performing its obligations with respect to the Notes, or (b) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates shall not be deemed an Increased Cost of Hedging.

“Interest Determination Date” means the date specified in the applicable Final Terms, if applicable.

“Inflation Index Sponsor” means, in relation to an Inflation Index, the entity that publishes or announces (directly or through an agent) the level of such Inflation Index which, as of the Issue Date, is the Inflation Index Sponsor specified in the applicable Final Terms.

“Redemption Determination Date” means the date specified in the applicable Final Terms, if applicable.

“Reference Month” means the calendar month for which the level of the Inflation Index is reported as specified in the applicable Final Terms, regardless of when this information is published or announced, except that if the period for which the Relevant Level was reported is a period other than a month, the Reference Month shall be the period for which the Relevant Level is reported.

“Related Bond” means, in respect of an Inflation Index, the bond specified as such in the applicable Final Terms. If the Related Bond specified in the applicable Final Terms is **“Fallback Bond”**, then, for any Related Bond determination, the Calculation Agent shall use the Fallback Bond. If no bond is specified in the applicable Final Terms as the Related Bond and **“Fallback Bond: Not Applicable”** is specified in the applicable Final Terms, there will be no Related Bond. If a bond is specified as the Related Bond in the applicable Final Terms and that bond redeems or matures before the End Date (i) unless **“Fallback Bond: Not Applicable”** is specified in the applicable Final Terms, the Calculation Agent shall use

the Fallback Bond for any Related Bond determination and (ii) if “Fallback Bond: Not Applicable” is specified in the applicable Final Terms, there will be no Related Bond.

“**Relevant Level**” has the meaning set out in the definition of “**Delayed Index Level Event**” above.

4.3.2 Inflation Index delay and disruption provisions

(a) Delay in publication

If the Issuer determines that a Delayed Index Level Event in respect of an Inflation Index has occurred with respect to any Determination Date, then the Relevant Level for such Inflation Index with respect to the relevant Reference Month subject to such Delayed Index Level Event (the “**Substitute Index Level**”) shall be determined by the Calculation Agent as follows:

- i. if “**Related Bond**” is specified as applicable for such Inflation Index in the applicable Final Terms, the Calculation Agent shall determine the Substitute Index Level by reference to the corresponding index level determined under the terms and conditions of the relevant Related Bond; or
- ii. if (I) “**Related Bond**” is not specified as applicable for such Inflation Index in the applicable Final Terms, or (II) the Calculation Agent is not able to determine a Substitute Index Level under (i) above, the Calculation Agent shall determine the Substitute Index Level by reference to the following formula:

$$\text{Substitute Index Level} = \text{Base Level} \times (\text{Latest Level}/\text{Reference Level}),$$

in each case as of such Determination Date,

where:

“**Base Level**” means, in respect of an Inflation Index, the level of such Inflation Index (excluding any “flash” estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month which is 12 calendar months prior to the month for which the Substitute Index Level is being determined.

“**Latest Level**” means, in respect of an Inflation Index, the latest level of such Inflation Index (excluding any “flash” estimates) published or announced by the relevant Inflation Index Sponsor prior to the month in respect of which the Substitute Index Level is being determined.

“**Reference Level**” means, in respect of an Inflation Index, the level of such Inflation Index (excluding any “flash” estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month that is 12 calendar months prior to the month in respect of the Latest Level.

The Issuer shall give notice to Noteholders, in accordance with Condition 13 (*Notices*) of any Substitute Index Level calculated pursuant to this paragraph (a) of Condition 4.3.2.

If the Relevant Level (as defined above) is published or announced at any time on or after the relevant Cut-off Date, such Relevant Level will not be used in any

calculations. The Substitute Index Level so determined pursuant to this paragraph (a) of Condition 4.3.2 will be the definitive level for that Reference Month.

(b) Cessation of publication

If the Calculation Agent determines that the level for the Inflation Index has not been published or announced for two (2) consecutive months, or the Inflation Index Sponsor announces that it will no longer continue to publish or announce the Inflation Index or the Inflation Index Sponsor otherwise cancels the Inflation Index, then the Calculation Agent shall determine a successor inflation index (the “**Successor Inflation Index**”) (in lieu of any previously applicable Inflation Index) for the purposes of the Inflation Linked Notes by using the following methodology:

- i. if at any time (other than after an early redemption has been designated by the Calculation Agent pursuant to this Condition 4.3), a successor inflation index has been designated by the calculation agent (or equivalent) pursuant to the terms and conditions of the Related Bond, such successor inflation index shall be designated a “**Successor Inflation Index**” notwithstanding that any other Successor Inflation Index may previously have been determined under paragraphs (b)(ii), (b)(iii) or (b)(iv) below of Condition 4.3.2;
- ii. if a Successor Inflation Index has not been determined pursuant to paragraph (b)(i) above of Condition 4.3.2, and a notice has been given or an announcement has been made by the Inflation Index Sponsor specifying that the Inflation Index will be superseded by a replacement Inflation Index specified by the Inflation Index Sponsor, and the Calculation Agent determines that such replacement index is calculated using the same or substantially similar formula or method of calculation as used in the calculation of the previously applicable Inflation Index, such replacement index shall be the Inflation Index for purposes of the Inflation Linked Notes from the date that such replacement Inflation Index comes into effect;
- iii. if a Successor Inflation Index has not been determined pursuant to paragraphs (b)(i) or (b)(ii) above of Condition 4.3.2, the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Inflation Index should be. If four or five responses are received and, of those four or five responses, three or more leading independent dealers state the same index, this index will be deemed the “**Successor Inflation Index**”. If three responses are received and two or more leading independent dealers state the same index, this index will be deemed the “**Successor Inflation Index**”. If fewer than three responses are received or no Successor Inflation Index is determined pursuant to this paragraph (b)(iii) of Condition 4.3.2, the Calculation Agent will proceed to paragraph (b)(iv) below of Condition 4.3.2; or
- iv. if no replacement index or Successor Inflation Index has been determined under paragraphs (b) (i), (b)(ii) or (b)(iii) above of Condition 4.3.2 by the next occurring Cut-Off Date, the Calculation Agent, subject as provided below, will determine an appropriate alternative index from such Cut-Off Date, and such index will be deemed a “Successor Inflation Index”; or

- v. If the Calculation Agent determines that there is no appropriate alternative inflation index to Inflation Linked Interest Notes, the Issuer may redeem the Notes early at the Early Redemption Amount.

(c) Rebasing of the Inflation Index

If the Calculation Agent determines that the Inflation Index has been or will be rebased at any time, the Inflation Index as so rebased (the “**Rebased Index**”) will be used for purposes of determining the level of the Inflation Index from the date of such rebasing; provided, however, that the Calculation Agent shall make adjustments as are made by the calculation agent (or equivalent) pursuant to the terms and conditions of the Related Bond, if “**Related Bond**” is specified as applicable in the applicable Final Terms, to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased, or, if “**Related Bond**” is not specified as applicable in the applicable Final Terms, the Calculation Agent shall make adjustments to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased.

(d) Material modification prior to last occurring Cut-Off

If, on or prior to the last occurring Cut-Off Date, the Inflation Index Sponsor announces that it will make a material change to the Inflation Index then the Calculation Agent shall make any such adjustments, if “**Related Bond**” is specified as applicable in the applicable Final Terms, consistent with adjustments made to the Related Bond, or, if “**Related Bond**” is not specified as applicable in the applicable Final Terms, only those adjustments to the Inflation Index necessary for the modified Inflation Index to continue as the Inflation Index.

(e) Manifest Error in Publication

With the exception of any corrections published after the day which is fifteen (15) Business Days prior to the relevant Redemption Determination Date, if, within thirty (30) calendar days of publication, the Calculation Agent determines that the Inflation Index Sponsor has corrected the level of the Inflation Index to remedy a manifest error in its original publication, the Calculation Agent may, in its discretion, make such adjustments to the terms of the Inflation Linked Notes as it determines appropriate to account for the correction and will notify the Noteholders of any such adjustments in accordance with Condition 13 (*Notices*).

(f) Consequences of an Additional Disruption Event

If the Calculation Agent determines that an Additional Disruption Event has occurred, the Issuer may at its option:

- a. make any adjustment or adjustments to the payment or any other term or condition of the Notes as the Calculation Agent determines appropriate; and/or
- b. redeem all but not some of the Inflation Linked Notes on the date notified by the Calculation Agent to Noteholders in accordance with Condition 13 (*Notices*) by payment of the relevant Early Redemption Amount, as at the date of redemption, taking into account the relevant Additional Disruption Event.

4.3.3 Inflation Index disclaimer

The Notes are not sponsored, endorsed, sold or promoted by the Inflation Index or the Inflation Index Sponsor and the Inflation Index Sponsor does not make any representation whatsoever, whether express or implied, either as to the results to be obtained from the use of the Inflation Index and/or the levels at which the Inflation Index stands at any particular time on any particular date or otherwise. Neither the Inflation Index nor the Inflation Index Sponsor shall be liable (whether in negligence or otherwise) to any person for any error in the Inflation Index and the Inflation Index Sponsor is under no obligation to advise any person of any error therein. The Inflation Index Sponsor is not making any representation whatsoever, whether express or implied, as to the advisability of purchasing or assuming any risk in connection with the Notes. The Issuer shall not have liability to the Noteholders for any act or failure to act by the Inflation Index Sponsor in connection with the calculation, adjustment or maintenance of the Inflation Index. Except as disclosed prior to the Issue Date specified in the applicable Final Terms, neither the Issuer nor its affiliates has any affiliation with or control over the Inflation Index or the Inflation Index Sponsor or any control over the computation, composition or dissemination of the Inflation Index. Although the Calculation Agent will obtain information concerning the Inflation Index from publicly available sources it believes reliable, it will not independently verify this information. Accordingly, no representation, warranty or undertaking (express or implied) is made and no responsibility is accepted by the Issuer, its affiliates or the Calculation Agent as to the accuracy, completeness and timeliness of information concerning the Inflation Index.

4.4 Accrual of interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and
- (b) as provided in the Trust Deed.

4.5 Benchmark discontinuation

(A) Independent Adviser

Notwithstanding the provisions above, if a Benchmark Event occurs in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, the Issuer shall notify the Calculation Agent and Noteholders of the occurrence of such Benchmark Event and use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4.5(B)) and, in either case, an Adjustment Spread and any Benchmark Amendments (in accordance with Condition 4.5(D)) shall apply.

In making such determination, the Independent Adviser appointed pursuant to this Condition 4.5 shall act in good faith and in a commercially reasonable manner and in consultation with the Issuer. In the absence of fraud and gross negligence, the Independent Adviser shall have no liability whatsoever to the Issuer, the Paying Agents, the Noteholders or the Couponholders for any determination made by it pursuant to this Condition 4.5.

If (i) the Issuer is unable to appoint an Independent Adviser; or (ii) the Independent Adviser appointed by it fails to (x) determine a Successor Rate or, failing which, an Alternative Rate and any related Benchmark Amendments in accordance with this Condition 4.5(A) and (y) notify the Calculation Agent of such determinations prior to the date that is ten Business Days prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of the immediately preceding Interest Period.

If there has not been a first Interest Payment Date, the Rate of Interest shall be the Rate of Interest which would have been applicable to such Series of Notes for the first Interest Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Payment Date but ending on (and excluding) the Interest Commencement Date. Where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Period shall be substituted in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Period. For the avoidance of doubt, this paragraph shall apply to the relevant next succeeding Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, the first paragraph of this Condition 4.5(A).

(B) Successor Rate or Alternative Rate

If the Independent Adviser determines that:

- (i) there is a Successor Rate, then such Successor Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4.5); or
- (ii) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 4.5).

(C) Adjustment Spread

The Adjustment Spread (or the formula or methodology for determining the Adjustment Spread) shall be applied to the Successor Rate or the Alternative Rate (as the case may be). If the Independent Adviser is unable to determine the quantum of, or a formula or methodology for determining, such Adjustment Spread, then the Successor Rate or Alternative Reference Rate (as applicable) will apply without an Adjustment Spread.

(D) Benchmark Amendments

Notwithstanding the provisions of Condition 14.4, if any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 4.5 and the Independent Adviser determines (i) that amendments to these Conditions are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and/or (in either case) the applicable Adjustment Spread (such amendments, the “**Benchmark Amendments**”) and (ii) the terms of the Benchmark

Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4.5(E), without any requirement for the consent or approval of Noteholders, vary these Conditions to give effect to such Benchmark Amendments with effect from the date specified in such notice. Subject to receipt of the notice given in accordance with Condition 4.5(E), the Trustee and the Agent or, if applicable, the Calculation Agent and the Paying Agents shall, without liability to the Noteholders or any other person, be obliged to concur with the Issuer in effecting any of the Benchmark Amendments (including, *inter alia*, by the execution of a deed supplemental to or amending the Trust Deed) with effect from the date specified in the notice referred to in Condition 4.5(E) below.

Notwithstanding any other provision of this Condition 4.5, neither the Trustee, the Agent nor the Calculation Agent shall be obliged to concur with the Issuer in respect of any Benchmark Amendments which, in the sole opinion of the Trustee, the Agent or the Calculation Agent, would have the effect of (i) exposing the Trustee to any liability against which it has not been indemnified and/or secured and/or prefunded to its satisfaction or (ii) increasing the obligations or duties, or decreasing the rights or protections, of the Trustee or the Agent or the Calculation Agent in the Trust Deed, the Agency Agreement and/or these Conditions.

For the avoidance of doubt, for the period that the Agent remains uncertain of the application of the Successor Rate, Alternative Rate and/or Adjustment Spread in the calculation or determination of any Rate of Interest (or any component part thereof), the Original Reference Rate and the fallback provisions provided for in Condition 4.2 and the Agency Agreement will continue to apply.

None of the Paying Agents or the Calculation Agent shall be responsible or liable for any action or inaction of the Independent Adviser or in respect of the determination of any Successor Rate or Alternative Rate, or any Adjustment Spread or Benchmark Amendments.

In connection with any such variation in accordance with this Condition 4.5(D), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(E) Notices etc.

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4.5 will be notified promptly by the Issuer to the Trustee, the Agent, or if applicable, Calculation Agent, the Paying Agents and, in accordance with Condition 13 (Notices), the Noteholders. Such notice shall be irrevocable and binding and shall specify the effective date of the Benchmark Amendments, if any.

Notwithstanding any other provision of this Condition 4.5, if, in the Agent or the Calculation Agent's opinion there is any uncertainty between two or more alternative courses of action in making any determination or calculation under this Condition 4.5, the Agent or the Calculation Agent shall promptly notify the Issuer thereof and the Issuer shall direct the Agent or the Calculation Agent in writing as to which alternative course of action to adopt. If the Agent or the Calculation Agent is not promptly provided with such direction, or is otherwise unable to make such calculation or determination for any reason, it shall notify the Issuer thereof and the Agent or the Calculation Agent shall be

under no obligation to make such calculation or determination and shall not incur any liability for not doing so.

(F) Survival of Original Reference Rate

Without prejudice to the obligations of the Issuer under Condition 4.5 (A), (B), (C) and (D), the Original Reference Rate and the fallback provisions provided for in Condition 4.2(B) will continue to apply unless and until a Benchmark Event has occurred.

(G) Definitions

As used in this Condition 4.5:

“Adjustment Spread” means either (a) a spread (which may be positive, negative or zero) or (b) a formula or methodology for calculating a spread, in each case, that the Independent Adviser determines is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Noteholders and Couponholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which is notified by the Issuer to the Calculation Agent as being:

- (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body;
- (ii) if, in the case of a Successor Rate, no recommendation under paragraph (i) above has been made, or in the case of an Alternative Rate, the Independent Adviser determines, is customarily applied to the relevant Successor Rate or the Alternative Rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for the Original Reference Rate; or
- (iii) (if the Independent Adviser determines that no such spread is customarily applied) the Independent Adviser determines is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be).

“Alternative Rate” means an alternative benchmark or screen rate which the Independent Adviser determines in accordance with Condition 4.5(B) and notifies the Calculation Agent is customarily applied in international debt capital markets transactions for the purposes of determining rates of interest (or the relevant component part thereof) in the same Specified Currency as the Notes.

“Benchmark Amendments” has the meaning given to it in Condition 4.5(D).

“Benchmark Event” means:

- (i) the Original Reference Rate ceasing to be published for a period of at least 5 Business Days or ceasing to exist; or
- (ii) a public statement by the administrator of the Original Reference Rate that it has ceased or that it will, by a specified date on or prior the next Interest Determination Date, cease publishing the Original Reference Rate permanently or indefinitely (in

circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate); or

- (iii) a public statement by the administrator or the supervisor of the administrator of the Original Reference Rate, that the Original Reference Rate has been or will be, by a specified date on or prior the next Interest Determination Date, permanently or indefinitely discontinued; or
- (iii) a public statement by the administrator or the supervisor of the administrator of the Original Reference Rate as a consequence of which the Original Reference Rate will be prohibited from being used either generally, or in respect of the Notes, in each case by a specified date on or prior the next Interest Determination Date;
- (iv) a public statement by the administrator or the supervisor of the administrator of the Original Reference Rate that, in the view of such administrator or supervisor, such Original Reference Rate is no longer representative of an underlying market or, in any case, should be used for informational purposes only rather than as a benchmark for securities such as the Notes;
- (v) it has become unlawful for any Paying Agent, the Calculation Agent, or if applicable, the Agent, the Issuer or other party to calculate any payments due to be made to any Noteholder using the Original Reference Rate; or
- (vi) a public statement by the administrator or the supervisor of the administrator of the Original Reference Rate that means the use of the Original Reference Rate is subject to restrictions or adverse consequences.

“Independent Adviser” means an independent financial institution of international repute or an independent financial adviser with appropriate expertise appointed by the Issuer under Condition 4.5(A).

“Original Reference Rate” means the originally specified benchmark or screen rate (as applicable) used to determine the Rate of Interest (or any component part thereof) on the Notes.

“Relevant Nominating Body” means, in respect of a benchmark or screen rate (as applicable):

- (i) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable); or
- (ii) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, (b) any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable), (c) a group of the aforementioned central banks or other supervisory authorities or (d) the Financial Stability Board or any part thereof.

“Successor Rate” means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body.

5 Payments

5.1 Method of payment

Subject as provided below:

- (a) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); and
- (b) payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7 (*Taxation*), and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the “Code”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 7 (*Taxation*)) any law implementing an intergovernmental approach thereto (collectively, “FATCA”).

5.2 Presentation of definitive Notes and Coupons

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in Condition 5.1 (*Method of payment*) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Fixed Rate Notes in definitive form (other than Long Maturity Notes (as defined below) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 7 (*Taxation*)) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8 (*Prescription*)) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A “**Long Maturity Note**” is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

5.3 Payments in respect of Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes or otherwise in the manner specified in the relevant Global Note, where applicable, against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made, distinguishing between any payment of principal and any payment of interest, will be made either on such Global Note by the Paying Agent to which it was presented or in the records of Euroclear and Clearstream, Luxembourg, as applicable.

5.4 General provisions applicable to payments

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (b) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange

controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and

- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

5.5 Payment Day

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, “**Payment Day**” means any day which (subject to Condition 8 (*Prescription*)) is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (i) in the case of Notes in definitive form only, the relevant place of presentation;
 - (ii) each Additional Financial Centre specified in the applicable Final Terms; and
- (b) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which T2 is open for the settlement of payments in euro.

5.6 Interpretation of principal and interest

Any reference in the Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 7 (*Taxation*) or under any undertaking or covenant given in addition thereto, or in substitution thereof, pursuant to the Trust Deed;
- (b) the Final Redemption Amount of the Notes;
- (c) the Early Redemption Amount of the Notes;
- (d) the Optional Redemption Amount(s) (if any) of the Notes;
- (e) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 6.7 (*Early Redemption Amounts*)); and
- (f) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in the Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7 (*Taxation*) or under any undertaking or covenant given in addition thereto, or in substitution thereof, pursuant to the Trust Deed.

6 Redemption and Purchase

6.1 Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms or, in the case of each Note which is an Inflation Linked Redemption Note, determined in accordance with Condition 6.12 (*Calculation of Inflation Linked Redemption*) in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

See Condition 6.11 (*Redemption of Inflation Linked Notes*) and Condition 6.12 (*Calculation of Inflation Linked Redemption*) in relation to each Note which is an Inflation Linked Redemption Note.

6.2 Redemption for tax reasons

Subject to Condition 6.7 (*Early Redemption Amounts*), the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is neither a Floating Rate Note nor an Inflation Linked Interest Note) or on any Interest Payment Date (if this Note is a Floating Rate Note or an Inflation Linked Interest Note), on giving not less than 30 nor more than 60 days' notice to the Trustee and the Agent and, in accordance with Condition 13 (*Notices*), the Noteholders (which notice shall be irrevocable), if the Issuer satisfies the Trustee immediately before the giving of such notice that:

- (a) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7 (*Taxation*) as a result of any change in, or amendment to, the laws or regulations of the Tax Jurisdiction (as defined in Condition 7 (*Taxation*)) or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes; and
- (b) such obligation cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Trustee (i) a certificate signed by two directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and (ii) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment and the Trustee shall be entitled to accept the certificate and the opinion as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on the Noteholders and the Couponholders.

Notes redeemed pursuant to this Condition 6.2 (*Redemption for tax reasons*) will be redeemed at their Early Redemption Amount referred to in Condition 6.7 (*Early*

Redemption Amounts) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

6.3 Redemption at the option of the Issuer (Issuer Call)

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer may, having given not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Trustee, the Agent and the Noteholders in accordance with Condition 13 (*Notices*) (which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount in each case as may be specified in the applicable Final Terms.

The Optional Redemption Amount will either be the specified percentage of the nominal amount of the Notes stated in the applicable Final Terms or, if Make-Whole Amount is specified in the applicable Final Terms, will be an amount calculated by the Agent equal to the higher of:

- (a) 100 per cent. of the principal amount of the Note to be redeemed; and
- (b) as determined by the Reference Dealers (as defined below), the sum of the then current values of the remaining scheduled payments of principal and interest (not including any interest accrued on the Notes to, but excluding, the Optional Redemption Date) discounted to the Optional Redemption Date on an annual basis (based on the actual number of days elapsed divided by 365 or (in the case of a leap year) by 366) at the Reference Bond Rate (as defined below) plus the Redemption Margin,

plus, in each case, any interest accrued on the Notes to, but excluding, the Optional Redemption Date.

As used in this Condition 6.3 (*Redemption at the option of the Issuer (Issuer Call)*):

“**Redemption Margin**” shall be as set out in the applicable Final Terms;

“**Reference Bond**” shall be as set out in the applicable Final Terms;

“**Reference Bond Rate**” means, with respect to the Reference Dealers and the Optional Redemption Date, the average of the five quotations of the mid-market annual yield to maturity of the Reference Bond or, if the Reference Bond is no longer outstanding, a similar security in the reasonable judgement of the Reference Dealers at 11.00 a.m. (London time) on the third business day in London preceding the Optional Redemption Date quoted in writing to the Issuer by the Reference Dealers; and

“**Reference Dealers**” shall be as set out in the applicable Final Terms.

In the case of a partial redemption of Notes, the Notes to be redeemed (“**Redeemed Notes**”) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the

date fixed for redemption (such date of selection being hereinafter called the “**Selection Date**”). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 13 (*Notices*) not less than 15 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 6.3 and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 13 (*Notices*) at least five days prior to the Selection Date.

6.4 Clean-Up Call Option

If the Clean-Up Call Option (defined herein) is specified in the relevant Final Terms as being applicable, in the event that 20 per cent. or less of the initial aggregate principal amount of a particular Series of Notes (including any Notes issued pursuant to Condition 16 (*Further Issues*)) remains outstanding (other than as a result of the Issuer exercising an Issuer Call pursuant to Condition 6.3 (*Redemption at the option of the Issuer (Issuer Call)*)) (i) at an Optional Redemption Amount that is above par and (ii) with an Optional Redemption Date which falls less than twenty-four (24) months before the Clean-Up Redemption Date), the Issuer may, at its option (the “**Clean-Up Call Option**”) but subject to having given not less than thirty (30) nor more than sixty (60) days’ notice to the Noteholders, redeem all, but not some only, of the outstanding Notes. Any such redemption shall be at par together, if appropriate, with any interest accrued to the date fixed for redemption (the “**Clean-Up Redemption Date**”).

6.5 Redemption at the option of the Noteholders upon the occurrence of a Relevant Event

If Relevant Event Put is specified as being applicable in the applicable Final Terms, the holder of each Note will have the option (a “**Relevant Event Put Option**”) (unless prior to the giving of the Relevant Event Put Event Notice (as defined below) the Issuer has given notice of redemption under Condition 6.2 (*Redemption for tax reasons*) or 6.3 (*Redemption at the option of the Issuer (Issuer Call)*) above) to require the Issuer to redeem or, at the Issuer’s option, purchase (or procure the purchase of) that Note on the Relevant Event Put Date (as defined below) at its principal amount then outstanding together with interest accrued to (but excluding) the Relevant Event Put Date if a Relevant Event occurs.

Promptly upon the Issuer becoming aware that a Relevant Event has occurred, and in any event within 14 days after becoming aware of the occurrence of such Relevant Event, the Issuer shall give notice (a “**Relevant Event Put Event Notice**”) to the Noteholders in accordance with Condition 13 (*Notices*) specifying the nature of the Relevant Event and the procedure for exercising the Relevant Event Put Option.

To exercise the Relevant Event Put Option, the holder of this Note must, if this Note is in definitive form and held outside Euroclear and/or Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the period (the “**Relevant Event Put Period**”) of 30 days after the date on which a Relevant Event Put Event Notice is given, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from the specified office of any Paying Agent (a “**Relevant Event Put Exercise Notice**”) and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied

by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Relevant Event Put Exercise Notice, be held to its order or under its control. The Note should be delivered together with all Coupons appertaining thereto maturing after the date which is seven days after the expiration of the Relevant Event Put Period (the “**Relevant Event Put Date**”), failing which the Paying Agent will require payment from or on behalf of the Noteholder of an amount equal to the face value of any missing such Coupon. Any amount so paid will be reimbursed to the Noteholder against presentation and surrender of the relevant missing Coupon (or any replacement therefor issued pursuant to Condition 10 (*Replacement of Notes, Coupons and Talons*)) at any time after such payment, but before the expiry of the period of five years from the date on which such Coupon would have become due, but not thereafter. If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note the holder of this Note must, within the Relevant Event Put Period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary or common safekeeper, as the case may be, for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

The Paying Agent to which such Note and Relevant Event Put Exercise Notice are delivered will issue to the Noteholder concerned a non-transferable receipt in respect of the Note so delivered. Payment in respect of any Note so delivered will be made, if the holder duly specified a bank account in the Relevant Event Put Exercise Notice to which payment is to be made, on the Relevant Event Put Date by transfer to that bank account and, in every other case, on or after the Relevant Event Put Date against presentation and surrender or (as the case may be) endorsement of such receipt at the specified office of any Paying Agent. A Relevant Event Put Notice, once given, shall be irrevocable. For the purposes of the Conditions, receipts issued pursuant to this Condition 6.5 (*Redemption at the option of the Noteholders upon the occurrence of a Relevant Event*) shall be treated as if they were Notes. The Issuer shall redeem or purchase (or procure the purchase of) the relevant Notes on the Relevant Event Put Date unless previously redeemed (or purchased) and cancelled.

If 85 per cent. or more in principal amount of the Notes then outstanding have been redeemed or purchased pursuant to this Condition 6.5 (*Redemption at the option of the Noteholders upon the occurrence of a Relevant Event*), the Issuer may, on giving not less than 30 nor more than 60 days' notice to the Noteholders (such notice being given within 30 days after the Relevant Event Put Date), redeem or purchase (or procure the purchase of), at its option, all but not some only of the remaining outstanding Notes at their principal amount, together with interest accrued to (but excluding) the date fixed for such redemption or purchase.

The Trustee is under no obligation to ascertain whether a Relevant Event or any event which could lead to the occurrence of or could constitute a Relevant Event has occurred and, until it shall have express written notice pursuant to the Trust Deed to the contrary, the Trustee may assume that no Relevant Event or other such event has occurred.

For the purposes of this Condition 6.5 (*Redemption at the option of the Noteholders upon the occurrence of a Relevant Event*), a “**Relevant Event**” shall be deemed to occur if a

Change of Control occurs and, to the extent that at the time of the occurrence of the Change of Control, the Notes either:

- (i) carry from any Rating Agency an Investment Grade Rating (whether provided by such Rating Agency at the invitation of the Issuer or by its own volition), and such rating from any Rating Agency is, within sixty (60) days of the occurrence of the Change of Control, either downgraded to a Non-Investment Grade Rating or withdrawn and is not, within such sixty (60) day period, subsequently (in the case of a downgrade) upgraded to an Investment Grade Rating by such Rating Agency or (in the case of a withdrawal) replaced by an Investment Grade Rating from any other Rating Agency; or
- (ii) carry from any Rating Agency a Non-Investment Grade Rating, and such rating from any Rating Agency is, within sixty (60) days of the occurrence of the Change of Control, downgraded by one or more notches (*for illustration, Ba1 to Ba2 being one notch*) and is not, within such sixty (60) day period, subsequently upgraded to its earlier credit rating or better by such Rating Agency; or
- (iii) carry no credit rating, and no Rating Agency assigns within one hundred and eighty (180) days of the occurrence of the Change of Control an Investment Grade Rating to the Notes,

provided that (A) if at the time of the occurrence of the Change of Control the Notes carry a credit rating from more than one Rating Agency, at least one of which is an Investment Grade Rating, then sub-paragraph (i) above will apply, and (B) in making any relevant decision(s) referred to above, the relevant Rating Agency announces publicly or confirms in writing to the Issuer that such decision(s) resulted entirely from, or was influenced significantly by, the occurrence of the Change of Control.

For the purposes of the Conditions:

a “**Change of Control**” will be deemed to occur if the Issuer ceases to be controlled, directly or indirectly, pursuant to Article 2359 of the Italian Civil Code, by the Sponsors (or any of them) acting in concert or by any individual Sponsor; provided that an initial public offering of the ordinary shares of the Issuer shall not constitute a Change of Control if immediately subsequent to such initial public offering (i) at least 30 per cent. of the issued share capital of the Issuer continues to be held, directly or indirectly, by the Sponsors (or any of them) acting in concert or by any individual Sponsor, with such issued share capital having the right to cast at least 30 per cent. of the votes capable of being cast in general meetings of the Issuer and (ii) no other person (either alone or acting in concert with other persons) holds more shares in the Issuer than the Sponsors (or any of them) acting in concert or such individual Sponsor;

“**Investment Grade Rating**” means an investment grade rating (Baa3 / BBB- or their respective equivalents, or better) from any Rating Agency;

“**Non-Investment Grade Rating**” means a non-investment grade rating (Ba1 / BB+ or their respective equivalents, or worse) from any Rating Agency;

“**Rating Agency**” means Moody’s Italia S.r.l., S&P Global Ratings Europe Limited and/or any other internationally recognised rating agency which has assigned a rating (which rating was originally solicited by the Issuer) to any of the Issuer and/or the Issuer’s debt and/or the Notes, and any affiliates or successors of such agencies; and

“**Sponsors**” means funds and/or entities managed and/or advised by F2i SGR S.p.A., Ardian France S.A. and/or APG Asset Management N.V. (and any subsidiaries or affiliates of Ardian France S.A. and APG Asset Management N.V.).

6.6 Redemption at the option of the Noteholders (Investor Put)

If Investor Put is specified as being applicable in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 13 (*Notices*) not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms, the Issuer will, upon the expiry of such notice, redeem such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of this Note the holder of this Note must, if this Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a “**Put Notice**”) and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control. If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary or common safekeeper, as the case may be, for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg given by a holder of any Note pursuant to this Condition 6.6 (*Redemption at the option of the Noteholders (Investor Put)*) shall be irrevocable except where, prior to the due date of redemption, an Event of Default has occurred and the Trustee has declared the Notes to be due and payable pursuant to Condition 9 (*Events of Default*), in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this Condition 6.6 (*Redemption at the option of the Noteholders (Investor Put)*).

6.7 Early Redemption Amounts

For the purpose of Condition 4.3 (*Inflation Linked Note Provisions*), Condition 6.2 (*Redemption for tax reasons*) above and Condition 9 (*Events of Default*), each Note will be redeemed at its Early Redemption Amount calculated as follows:

- (a) in the case of a Note (other than a Zero Coupon Note), at the amount specified in the applicable Final Terms or, if no such amount so specified in the applicable Final Terms, at its nominal amount; or
- (b) in the case of a Zero Coupon Note, at an amount (the “**Amortised Face Amount**”) calculated in accordance with the following formula:

$$\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$$

where:

“RP” means the Reference Price;

“AY” means the Accrual Yield expressed as a decimal; and

“y” is the Day Count Fraction specified in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 365).

- (c) in the case of an Inflation Linked Interest Note and/or an Inflation Linked Redemption Note, at an amount calculated in accordance with Condition 6.11 (*Redemption of Inflation Linked Notes*) and Condition 6.12 (*Calculation of Inflation Linked Redemption*).

6.8 Purchases

The Issuer or any Subsidiary of the Issuer may at any time purchase Notes (provided that, in the case of definitive Notes, all unmatured Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Notes may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation. The Notes so purchased, while held by or on behalf of the Issuer or any Subsidiary of the Issuer, shall not entitle the holder to vote at any meetings of the Noteholders for the purposes of Condition 14 (*Meetings of Noteholders, Modification, Waiver and Substitution*).

6.9 Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and any Notes purchased and cancelled pursuant to Condition 6.8 (*Purchases*) above (together with all unmatured Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

6.10 Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 6.1, 6.2, 6.3, 6.4, 6.5 or 6.6 above or upon its becoming due and repayable as provided in Condition 9 (*Events of Default*) is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 6.7(b) above as though the references therein to the date fixed for the redemption or the date upon which such Zero

Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Agent or the Trustee and notice to that effect has been given to the Noteholders in accordance with Condition 13 (*Notices*).

6.11 Redemption of Inflation Linked Notes

In respect of Inflation Linked Notes, the Calculation Agent will calculate such Final Redemption Amount or Early Redemption Amount (as the case may be) promptly after each time such amount is capable of being determined and will notify the Agent thereof promptly after calculating the same. The Agent will promptly thereafter notify the Issuer and any stock exchange on which the Notes are for the time being listed thereof and cause notice thereof to be published in accordance with Condition 13 (*Notices*).

6.12 Calculation of Inflation Linked Redemption

The Final Redemption Amount payable in respect of each Note that is an Inflation Linked Redemption Note shall be determined by the Calculation Agent on the Redemption Determination Date (utilising the DIR(T) value applicable to the Final Redemption Amount) in accordance with the following formula:

$$\begin{aligned} & \text{FinalRedemptionAmount} \\ & = \text{Specified Denomination} \\ & * \text{Max} \left[100\%; [\text{RedemptionAmountMultiplier}] * \left(\frac{\text{DIR(T)}}{\text{DIR(0)}} \right) \right] \end{aligned}$$

The result of DIR(T) divided by DIR(0) shall be rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards and the Final Redemption Amount shall be rounded (if necessary) to the nearest euro cent with half a euro cent being rounded upwards.

The Early Redemption Amount payable in respect of each Note that is an Inflation Linked Interest Note or an Inflation Linked Redemption Note shall be the sum of (i) a principal amount determined by the Calculation Agent promptly after the time the Early Redemption Amount is capable of being determined in accordance with the formula set out above, provided that the reference to “**Final Redemption Amount**” shall be replaced by a reference to “**Early Redemption Amount**” and the DIR(T) value applicable to the Early Redemption Amount shall be utilised; and (ii) interest accrued but unpaid in respect of the period from, and including, the most recent Interest Payment Date to, but excluding, the date for redemption of the Notes where the Rate of Interest for such period shall be calculated in accordance with the applicable Final Terms.

Defined terms used in this Condition shall have the same meanings as set out in Condition 4.2(c) (*Interest - Interest on Floating Rate Notes and Inflation Linked Interest Notes - Rate of Interest - Inflation Linked Interest Notes*) provided that, DIR(T) means the value of the Inflation Index for (i) in the case of the calculation of the Final Redemption Amount, the Maturity Date and (ii) in the case of the calculation of the Early Redemption Amount, the date for redemption of the Notes, in each case calculated in accordance

with the following formula where month “t” is the month and year of the Maturity Date in the case of (i) above and the month and year in which the date for redemption falls in the case of (ii) above:

$$\text{DIR}(t) = \text{Inflation Index}(t - \text{Lookback Period 1}) + [\text{Inflation Index}(t - \text{Lookback Period 2}) - \text{Inflation Index}(t - \text{Lookback Period 1})] * [\text{DayOfMonth} - 1] / \text{DaysInMonth}$$

Rounded (if necessary) to the fifth decimal place, with 0.000005 being rounded upwards

If the date for redemption occurs prior to the first Interest Payment Date, a *pro rata* proportion of an amount equal to the product of the Initial Ratio Amount multiplied by DIR(T)/DIR(0) shall be added to the relevant Interest Amount (in respect of the period from and including the Interest Commencement Date to but excluding the date of redemption of the Notes) (such sum shall be rounded (if necessary) to the nearest euro cent with half a euro cent being rounded upwards).

“**Redemption Amount Multiplier**” has the meaning given to it in the applicable Final Terms, provided that if Redemption Amount Multiplier is specified as “Not Applicable”, the Redemption Amount Multiplier shall be deduced to be equal to 100 per cent.

The provisions of Condition 4.3 (*Inflation Linked Note Provisions*) shall apply *mutatis mutandis*.

7 Taxation

All payments of principal and interest in respect of the Notes and Coupons by the Issuer will be made without withholding or deduction for or on account of any present or future Taxes imposed or levied by or on behalf of any Tax Jurisdiction unless such withholding or deduction is required by law. In such event, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note or Coupon:

- (a) in relation to any payment or deduction of any interest, principal or other proceeds of any Note or Coupon, presented for payment in the Republic of Italy; or
- (b) the holder of which is liable for such Taxes in respect of such Note or Coupon by reason of his having some connection with a Tax Jurisdiction other than the mere holding of such Note or Coupon; or
- (c) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such 30th day assuming that day to have been a Payment Day (as defined in Condition 5.5 (*Payment Day*)); or
- (d) presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by making a declaration or any other statement, including but not limited to, a declaration of residence or non-residence, but fails to do so; or
- (e) in relation to any payment or deduction of any interest, principal or other proceeds of any Notes or Coupons made according to Italian Presidential Decree No. 600 of 29 September 1973 or on account of *imposta sostitutiva* pursuant to Italian Legislative Decree No. 239 of 1 April 1996, pursuant to Law Decree No. 512 of 30 September 1983,

converted into Law No. 649 of 25 November 1983 and pursuant to Italian Legislative Decree No. 461 of 21 November 1997, or future similar law and any related implementing regulations (each as amended or supplemented from time to time); or

- (f) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by complying with the procedural requirements set forth in Italian Legislative Decree No. 239 of 1 April 1996; or
- (g) any combination of the items (a) through (f) above.

Notwithstanding any other provision of the Conditions, any amounts to be paid on the Notes and Coupons by or on behalf of the Issuer will be paid net of any deduction or withholding imposed or required pursuant to an agreement described in Section 1471(b) of the Code, or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof (or any fiscal or regulatory legislation, rules or practices implementing such an intergovernmental agreement) (any such withholding or deduction, a “**FATCA Withholding**”). Neither the Issuer nor any other person will be required to pay any additional amounts in respect of FATCA Withholding.

As used herein:

- (i) “**Relevant Date**” means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Trustee or the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 13 (*Notices*).
- (ii) “**Taxes**” means any tax, duty, levy, impost, assessment or other governmental charge (including penalties, interest and any other additions thereto, and, for the avoidance of doubt, including any withholding or deduction for or on account of Tax); and
- (iii) “**Tax Jurisdiction**” means the Republic of Italy or any political subdivision or any authority thereof or therein having power to tax or any other jurisdiction or any political subdivision or any authority thereof or therein having power to tax to which the Issuer becomes subject by reason of its tax residence or a permanent establishment maintained therein in respect of payments made by it of principal and interest on the Notes and Coupons.

8 Prescription

The Notes and Coupons will become void unless claims in respect of principal and/or interest are made within a period of ten years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7 (*Taxation*)) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5.2 (*Payments – Presentation of definitive Notes and Coupons*) or any Talon which would be void pursuant to Condition 5.2 (*Payments – Presentation of definitive Notes and Coupons*).

9 Events of Default

9.1 Events of Default

The Trustee at its discretion may, and if so requested in writing by the holders of at least one-quarter in principal amount of the Notes then outstanding or if so directed by an

Extraordinary Resolution of the Noteholders shall, (subject in each case to being indemnified and/or prefunded and/or secured to its satisfaction) (but, in the case of the happening of the events described in subparagraphs (b) to (e) (other than the liquidation, winding-up or dissolution of the Issuer) and (f) to (i) below, only if the Trustee shall have certified in writing to the Issuer that such event is, in its opinion, materially prejudicial to the interests of the Noteholders) give notice in writing to the Issuer that the Notes are, and they shall accordingly forthwith become, immediately due and repayable at their Early Redemption Amount, together with accrued interest as provided in the Trust Deed, if any of the following events (each, an “**Event of Default**”) shall occur:

- (a) if default is made in the payment in the Specified Currency of any principal or interest due in respect of the Notes or any of them and the default continues for a period of 14 days; or
- (b) if the Issuer fails to perform or observe any of its other obligations under the Conditions or the Trust Deed and (except in any case where the Trustee considers the failure to be incapable of remedy when no such continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of 45 days (or such longer period as the Trustee may permit) following the service by the Trustee on the Issuer of written notice requiring the same to be remedied; or
- (c) if any Indebtedness for Borrowed Money of the Issuer or any of its Material Subsidiaries becomes due and repayable prematurely by reason of an event of default (however described), or the Issuer or any of its Material Subsidiaries fails to make any payment in respect of any Indebtedness for Borrowed Money on the due date for payment (as extended by any originally applicable grace period) or default is made by the Issuer or any of its Material Subsidiaries in making any payment due under any guarantee and/or indemnity given by it in relation to any Indebtedness for Borrowed Money of any other person (as extended by any originally applicable grace period), provided that no such event shall constitute an Event of Default unless the aggregate Indebtedness for Borrowed Money relating to all such events which shall have occurred and be continuing shall exceed at any time €50,000,000 (or its equivalent in any other currency); or
- (d) if any Security (other than any Security securing Project Finance Indebtedness or Indebtedness for Borrowed Money incurred in the circumstances described in the definition of Project Finance Indebtedness as if such definition referred to Indebtedness for Borrowed Money), present or future, created or assumed on or against all or a material part of the property, assets or revenues of the Issuer, becomes enforceable and any step is taken to enforce it (including the taking of possession or the appointment of a receiver, manager or other similar person) which is not contested in good faith by all appropriate means or discharged or cancelled within 60 days of such enforcement; or
- (e) if any order is made by any competent court or resolution passed for the liquidation, winding up or dissolution (*scioglimento o liquidazione*) of the Issuer or any of its Material Subsidiaries and such order or resolution is not discharged or cancelled within 60 days, save for the purposes of (i) a solvent amalgamation, merger, de-merger, reconstruction or other transaction having substantially the same effect (a “**Solvent Reorganisation**”) under which the assets and liabilities of the Issuer or such Material Subsidiary, as the case may be, are assumed by the entity resulting from such Solvent Reorganisation and (A) such entity continues to

carry on substantially the same business of the Issuer or such Material Subsidiary, as the case may be, and (B) in the case of a Solvent Reorganisation of the Issuer, such entity assumes all the obligations of the Issuer in respect of the Notes, the Coupons and the Trust Deed and an opinion of an independent legal adviser of recognised standing in the Republic of Italy has been delivered to the Trustee confirming the same prior to the effective date of such Solvent Reorganisation, or (ii) a reorganisation on terms previously approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders; or

- (f) if the Issuer or any of its Material Subsidiaries ceases or announces that it shall cease to carry on the whole or a substantial part of its business, save for the purposes of (i) a Solvent Reorganisation under which the assets and liabilities of the Issuer or such Material Subsidiary, as the case may be, are assumed by the entity resulting from such Solvent Reorganisation and such entity assumes all the obligations of the Issuer in respect of the Notes, the Coupons and the Trust Deed and an opinion of an independent legal adviser of recognised standing in the Republic of Italy has been delivered to the Trustee confirming the same prior to the effective date of such Solvent Reorganisation, or (ii) a reorganisation on terms previously approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders; or

9.2 Enforcement

The Trustee may at any time, at its discretion and without notice, take any step or action or institute such proceedings against the Issuer as it may think fit to enforce the provisions of the Trust Deed, the Notes and the Coupons, but it shall not be bound to take any such proceedings or any other step or action in relation to the Trust Deed, the Notes or the Coupons unless (i) it shall have been so directed by an Extraordinary Resolution of the Noteholders or so requested in writing by the holders of at least one-quarter in nominal amount of the Notes then outstanding and (ii) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction.

No Noteholder or Couponholder shall be entitled to proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails so to do within a reasonable period and the failure shall be continuing.

9.3 Definitions

For the purposes of the Conditions:

"Indebtedness for Borrowed Money" means any present or future indebtedness (whether being principal, premium, interest or other amounts) for or in respect of (i) money borrowed, (ii) liabilities under or in respect of any acceptance or acceptance credit or (iii) any notes, bonds, debentures, debenture stock, loan stock or other securities offered, issued or distributed whether by way of public offer, private placing, acquisition consideration or otherwise and whether issued for cash or in whole or in part for a consideration other than cash; and

"Substantial Part" means a part of an entity's assets or property which accounts for 30 per cent. or more of the Group's consolidated assets or consolidated revenues, as determined by reference to the most recently audited consolidated financial statements.

10 Replacement of Notes, Coupons and Talons

Should any Note, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Coupons or Talons must be surrendered before replacements will be issued.

11 Paying Agents

The names of the initial Paying Agents and their initial specified offices are set out below. If any additional Paying Agents are appointed in connection with any Series, the names of such Paying Agents will be specified in Part B of the applicable Final Terms.

The Issuer is entitled, with the prior written approval of the Trustee, to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (a) there will at all times be an Agent;
- (b) so long as the Notes are listed on any stock exchange or admitted to trading by any other relevant authority, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority; and
- (c) there will at all times be a Paying Agent in a jurisdiction within Europe, other than the jurisdiction in which the Issuer is incorporated.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5.4 (*Payments - General provisions applicable to payments*). Notice of any variation, termination, appointment or change in Paying Agents will be given to the Noteholders promptly by the Issuer in accordance with Condition 13 (*Notices*).

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and, in certain circumstances specified therein, of the Trustee and do not assume any obligation to, or relationship of agency or trust with, any Noteholder or Couponholder. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

12 Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8 (*Prescription*).

13 Notices

All notices regarding the Notes will be deemed to be validly given if published (a) in a leading English language daily newspaper of general circulation in London, and (b) if and for so long as the Notes are admitted to trading on, and listed on the Official List of, Euronext Dublin and the rules of that exchange so require, on the website of Euronext Dublin (www.euronext.com/en/markets/Dublin) or in one daily newspaper published in Ireland. It is expected that any such publication in a newspaper will be made in the Financial Times in London. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers. If publication as provided above is not practicable, a notice will be given in such other manner, and will be deemed to have been given on such date, as the Trustee shall approve.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published on the website of the relevant stock exchange or authority or in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the holders of the Notes on such day as is specified in the applicable Final Terms after the day on which the said notice was given to Euroclear and Clearstream, Luxembourg.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent, and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

14 Meetings of Noteholders, Modification, Waiver and Substitution

14.1 Meetings of Noteholders

In accordance with the rules of the Italian Civil Code, the Trust Deed contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by an Extraordinary Resolution (as defined in the Trust Deed) of a modification of these Conditions or any of the provisions of the Trust Deed.

All meetings of Noteholders will be held in accordance with applicable Italian law and the Issuer's by-laws in force from time to time. Without prejudice to the provisions set out in the Trust Deed, the meeting of Noteholders is empowered to resolve upon the following matters: (i) the appointment and revocation of a representative of the Noteholders having the powers and duties set out in Article 2418 of the Italian Civil Code (*rappresentante comune* or "**Noteholders' Representative**"), (ii) any amendment to the Conditions, (iii) motions for an administration order (*amministrazione controllata*) or the composition with creditors (*concordato*) of the Issuer; (iv) establishment of a fund for the expenses necessary for the protection of the common interests of the Noteholders and the related statements of account; and (v) any other matter of common interest to the Noteholders in accordance with Article 2415 of the Italian Civil Code.

14.2 Quorums and Majorities

The Trust Deed contains provisions in relation to the convening of meetings (which may be at a physical location or by way of conference call or videoconference), quorums and the majorities required to pass an Extraordinary Resolution (as defined in the Trust Deed) which shall be subject to mandatory laws, legislation, rules and regulations of Italy and the by-laws of the Issuer (to the extent permitted under Italian law) in force from time to time and as shall be deemed to be amended, replaced and supplemented to the extent that such laws, legislation, rules and regulations and the by-laws of the Issuer are amended at any time while the Notes remain outstanding:

- (i) a meeting of Noteholders may be convened by the Board of Directors of the Issuer, the Noteholders' Representative or, subject to any mandatory provisions of Italian law, the Trustee when the Board of Directors, the Noteholders' Representative, or, subject to any mandatory provisions of Italian law, the Trustee, as the case may be, deems it necessary or appropriate and such parties shall be obliged to do so, in any event, upon the request of any Noteholder(s) holding not less than one-twentieth of the aggregate principal amount of the Notes for the time being remaining outstanding, in each case in accordance with Article 2415 of the Italian Civil Code. If the Issuer or the Noteholders' Representative defaults in convening such a meeting following such request or requisition by the Noteholders representing not less than one-twentieth of the aggregate principal amount of the outstanding Notes, the statutory auditors (or analogous body or supervisory body) shall do so, or if they so default, the same may be convened by a decision of the competent court in accordance with Article 2367, paragraph 2 of the Italian Civil Code;
- (ii) a meeting of Noteholders will be validly held (a) in respect of meetings convened to pass an Extraordinary Resolution that does not relate to a Reserved Matter (as defined in the Trust Deed) if (A) in the case of a first meeting, there are one or more persons present that hold or represent holders of more than one half of the aggregate principal amount of the outstanding Notes or (B) in the case of a second or further adjourned meeting, there are one or more persons present that hold or represent holders of more than one-third of the aggregate principal amount of the outstanding Notes; (b) in respect of a meeting convened to pass an Extraordinary Resolution relating to a Reserved Matter, there are one or more persons present that hold or represent holders of at least one-half of the aggregate principal amount of the outstanding Notes; provided, however, that the Issuer's by-laws may provide for higher quorums (to the extent permitted under Italian law); and
- (iii) the majority required to pass a resolution by the Noteholders' meeting will be (A) in the case of a first meeting for voting on any matter other than a Reserved Matter, one or more persons that hold or represent holders of more than one half of the aggregate principal amount of the outstanding Notes, and (B) in the case of a second or further adjourned meeting for voting on any matter other than a Reserved Matter, one or more persons that hold or represent holders of at least two thirds of the aggregate principal amount of the Notes represented at the meeting and (C) in any case for voting on a Reserved Matter, one or more persons that hold or represent holders of not less than one half of the aggregate principal amount of the outstanding Notes, unless a different majority is required pursuant to Articles 2368 and 2369 of the Italian Civil Code (to the extent applicable), provided, however, that Italian law and/or the Issuer's by-laws may provide for higher quorums (to the extent permitted under Italian law).

Directors and statutory auditors of the Issuer shall be entitled to attend the Noteholders' meetings but not (i) take the floor or (ii) vote with reference to the Notes held by the Issuer. Any resolution (including an Extraordinary Resolution) duly passed at any such meeting shall be binding on all the Noteholders and on all Couponholders, whether or not they are present at the meeting and irrespective of whether they have cast their vote or of how their vote was cast at such meeting, and each of the Noteholders shall be bound to give effect to it accordingly.

14.3 Noteholders' Representative

In accordance with Articles 2415 and 2417 the Italian Civil Code, the Noteholders' Representative may be appointed by a meeting of Noteholders. If the Noteholders' Representative is not appointed by a meeting of such Noteholders, the Noteholders' Representative may be appointed by an order of the court where the Issuer has its registered office at the request of one or more Noteholders or of the Issuer's directors. The Noteholders' Representative shall remain appointed for a maximum period of three financial years from the appointment, but may be reappointed again thereafter and shall have the powers and duties set out in Article 2418 of the Italian Civil Code.

14.4 Modification and Waiver

The Trustee may agree, without the consent of the Noteholders or Couponholders, to any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of the Notes or the Trust Deed, or determine, without any such consent as aforesaid, that any Event of Default or potential Event of Default shall not be treated as such, where, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Noteholders so to do or may agree, without any such consent as aforesaid, to any modification which is of a formal, minor or technical nature or to correct a manifest error or an error which, in the opinion of the Trustee, is proven. Any such modification, waiver, authorisation or determination shall be binding on the Noteholders and the Couponholders and unless the Trustee otherwise agrees, any such modification shall be notified to the Noteholders in accordance with Condition 13 (*Notices*) as soon as practicable thereafter.

14.5 Trustee to have Regard to Interests of Noteholders as a Class

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation, determination or substitution), the Trustee shall have regard to the general interests of the Noteholders as a class but shall not have regard to any interests arising from circumstances particular to individual Noteholders or Couponholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Noteholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political subdivision thereof and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer, the Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders except to the extent already provided for in Condition 7 (*Taxation*) and/or any undertaking or covenant given in addition to, or in substitution for, Condition 7 (*Taxation*) pursuant to the Trust Deed.

14.6 Substitution

The Trustee may, without the consent of the Noteholders, agree with the Issuer to the substitution in place of the Issuer (or of any previous substitute under this Condition) as the principal debtor under the Notes, the Coupons and the Trust Deed of another company, being the Issuer's successor in business or any Subsidiary of the Issuer or any Subsidiary's successor in business, subject to (a) the Notes being unconditionally and irrevocably guaranteed by the Issuer, (b) the Trustee being satisfied that the interests of

the Noteholders will not be materially prejudiced by the substitution and (c) certain other conditions set out in the Trust Deed being complied with.

15 Indemnification of the Trustee and Trustee Contracting with the Issuer

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking action unless indemnified and/or secured and/or pre-funded to its satisfaction.

The Trust Deed also contains provisions pursuant to which the Trustee is entitled, *inter alia*, (a) to enter into business transactions with the Issuer and/or any of its Subsidiaries and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer and/or any of its Subsidiaries, (b) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Noteholders or Couponholders and (c) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

16 Further Issues

The Issuer shall be at liberty from time to time without the consent of the Noteholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.

17 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

18 Governing Law and Submission to Jurisdiction

18.1 Governing law

The Trust Deed, the Agency Agreement, the Notes and the Coupons and any non-contractual obligations arising out of or in connection with the Trust Deed, the Agency Agreement, the Notes and the Coupons, are governed by, and shall be construed in accordance with, English law. 18.2 Submission to jurisdiction

Each party hereto irrevocably agrees, for the benefit of the other parties, that the courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed, the Notes and/or the Coupons (including a dispute relating to any non-contractual obligations arising out of or in connection with

the Trust Deed, the Notes and/or the Coupons) and accordingly submits to the exclusive jurisdiction of the English courts.

Each party hereto waives any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum.

18.3 Appointment of Process Agent

The Issuer appoints Law Debenture Corporate Services Limited at its registered office at 8th Floor, 100 Bishopsgate, London, EC2N 4AG, United Kingdom as its agent for service of process, and undertakes that, in the event of Law Debenture Corporate Services Limited ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process in England in respect of any proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

A Voting Certificate and a Voting Instruction cannot be outstanding simultaneously in respect of the same Note.

3 Validity of Voting Certificates and of Voting Instructions

Any Voting Certificates and Voting Instructions shall be valid if notified to the Issuer by close of business on the third Stock Exchange Day before the date fixed for the relevant Meeting or 48 hours before the time fixed for the relevant Meeting, as the case may be, or at any time before the Meeting considered acceptable by the Issuer, the Clearing Systems and the Paying Agent.

4 Convening of Meeting

The Issuer (through its board of directors (*consiglio di amministrazione*) or, as the case may be, its management board (*consiglio di gestione*)), the Noteholders' Representative or, subject to mandatory provisions of Italian law, the Trustee may convene a Meeting (which may be at a physical location or by way of conference call or videoconference) at any time, subject in the case of the Trustee to its being indemnified and/or secured and/or prefunded to its satisfaction, and shall be obliged to do so upon the request in writing of any Noteholder(s) holding not less than one twentieth of the aggregate principal amount of the outstanding Notes. If the Issuer or the Noteholders' Representative defaults in convening such a meeting following such request by the Noteholders representing not less than one-twentieth of aggregate principal amount of the Notes outstanding, the statutory auditors (or analogous body or supervisory body) shall do so, or if they so default, the same may be convened by decision of the competent court upon request by such Noteholders in accordance with the provisions of Article 2367 of the Italian Civil Code.

5 Notice

Subject in any case to any mandatory provisions of Italian law and, to the extent applicable, the Issuer's by-laws, at least 15 days' notice (exclusive of the day on which the notice is given and of the day on which the relevant Meeting is to be held) specifying the date, time and place of the Meeting shall be given to the Noteholders and the Paying Agents (with a copy to the Issuer and to the Trustee, if applicable) (the "**Notice of Call**"). The notice shall set out the full text of any resolutions to be proposed, shall state that the Notes may be deposited with, or to the order of, any Paying Agent for the purpose of obtaining Voting Certificates or appointing Proxies and the details of the Record Date, if applicable, and any other time limits applicable and any other details as may be required by applicable laws and regulations. The first resolution to be proposed to the Noteholders at any Meeting shall be a proposal to authorise the Trustee and, if required by the Trustee or the Issuer, the financial advisers of the Issuer and the Trustee and the legal counsel to the Issuer and the Trustee to attend and speak at any such Meeting. The Notice of Call may also specify the date of a Second Meeting or any Further Meeting. All notices to Noteholders under this Schedule 3 shall be given to Noteholders in accordance with Condition 13 (*Notices*) and shall be published in accordance with applicable legislation from time to time and the Issuer's by-laws. The Notice of Call, when the Notes are represented by a Global Note, shall include, amongst others, a statement specifying that those proving to be holders of Notes only after the Record Date (if provided for by the Issuer's by-laws), or 48 hours before the time fixed for the relevant Meeting, as the case may be, shall not have the right to attend and vote at the relevant meeting pursuant to the applicable provisions.

6 Chairman

Subject to mandatory provisions of Italian law, the Chairman (who may, but need not, be a Noteholder) shall be:

- (i) the chairman of the Board of Directors of the Issuer or such other person as the by-laws of the Issuer may specify from time to time; or
- (ii) in default, a person elected by one or more Voters holding or representing more than one half of the aggregate principal amount of the Notes represented at the Meeting, failing which the Noteholders' Representative or, if none has been appointed, the Trustee may appoint a chairman.

Where the Meeting has elected the Chairman at an Initial Meeting, such person need not be the same person as the Chairman at any New Meeting, provided that the procedure for its appointment under the first paragraph above is followed.

7 Quorum and Majority required to pass Extraordinary Resolutions

A Meeting shall be validly held:

- (a) in respect of a meeting convened to pass an Extraordinary Resolution that does not relate to a Reserved Matter:
 - (i) if attended by one or more Voters representing or holding more than:
 - (A) in the case of an Initial Meeting, more than one half of the aggregate principal amount of the outstanding Notes;
 - (B) in the case of a Second Meeting or a Further Meeting, more than one third of the aggregate principal amount of the outstanding Notes;
- (b) in respect of a meeting convened to pass an Extraordinary Resolution relating to a Reserved Matter, there are one or more persons present being or representing Noteholders holding at least one-half of the aggregate principal amount of the outstanding Notes;

provided, however, that Italian law and/or the by-laws of the Issuer may from time to time (to the extent permitted under applicable Italian law) require a larger and/or different quorum at any of the above meetings (also depending on the matter to be transacted at such Meeting).

The majority required to pass an Extraordinary Resolution will be:

- (c) in the case of an Initial Meeting, more than one half of the aggregate principal amount of the outstanding Notes,
- (d) in the case of the Second Meeting and any Further Meeting, at least two thirds of the aggregate principal amount of the Notes represented at the Meeting;

provided that a Reserved Matter may only be approved by a resolution passed at a Meeting (including any adjourned Meeting), with a majority of at least one-half of the aggregate principal amount of the outstanding Notes, unless a different majority is required pursuant to Articles 2368 and 2369 of the Italian Civil Code (to the extent applicable), and further provided that in each case Italian law and/or the by-laws of the Issuer may from time to time (to the extent permitted under applicable Italian law) require a larger and/or different majority.

8 Adjournment for want of quorum

If within 15 minutes after the commencement of any Meeting a quorum is not present, then it shall be adjourned for such period which shall be:

- (a) in the case of a Second Meeting:
 - (i) where specified in the Notice of Call of the Initial Meeting, not less than one day and not more than 30 days following the date of the Initial Meeting; and
 - (ii) in all other cases, not less than 8 days and not more than 30 days following the date of the Initial Meeting.
- (b) in the case of a Further Meeting:

- (iii) where specified in the Notice of Call of the Initial Meeting, not less than one day and not more than 30 days following the date of the Second Meeting or any subsequent meeting; and
- (iv) in all other cases, not less than 8 days and not more than 30 days following the date of the Second Meeting or any subsequent meeting,

provided that the resolutions to be proposed in the Second Meeting or in the Further Meeting are not modified.

9 Adjournment other than for want of quorum

The Chairman may, with the consent of (and shall if so directed by) any Meeting adjourn such Meeting from time to time and from place to place, but no business shall be transacted at any such adjourned Meeting except business which might lawfully have been transacted at the Meeting from which the adjournment took place, *provided however that* no Meeting may be adjourned more than twice for want of quorum unless Italian law and the Issuer's by-laws provide otherwise.

10 Notice following adjournment

Paragraph 5 (*Notice*) shall apply to any New Meeting save that:

- (a) where the notice to Noteholders of the Initial Meeting specifies the date for the Second Meeting or any Further Meeting, no further notice need be given to Noteholders; and
- (b) where a further notice to Noteholders is required, 8 days' notice (exclusive of the day on which the notice is given and inclusive of the date fixed for the New Meeting) shall be sufficient, provided that the resolutions to be proposed in the New Meeting are not modified.

In addition, such notice shall specifically set out the quorum requirements which will apply to the New Meeting.

11 Participation

The following may attend and speak at a Meeting:

- (a) Voters;
- (b) the Noteholders' Representative;
- (c) any Director or Statutory Auditor (*sindaco*) of the Issuer;

- (c) subject to compliance with Italian law, by a poll.

13 Votes

Every Voter shall have one vote in respect of each minimum integral amount of the Specified Currency in aggregate face amount of the outstanding Note(s) represented or held by him. Unless the terms of any Voting Instruction state otherwise, a Voter shall not be obliged to exercise all the votes to which he is entitled or to cast all the votes which he exercises in the same way.

14 Validity of votes by proxies

Any vote by a Proxy in accordance with the relevant Voting Instruction shall be valid even if such Voting Instruction or any instruction pursuant to which it was given has been amended or revoked, provided that none of the Issuer or the Trustee or the Chairman has been notified in writing of such amendment or revocation by close of business on the second Stock Exchange Day prior to, or the time which is 48 hours before the time fixed for, the relevant Meeting, as the case may be. Unless revoked, any appointment of a Proxy under a Voting Instruction in relation to a Meeting shall remain in force in relation to any resumption of such Meeting following an adjournment, *provided however that* unless such appointment specifies otherwise, no such appointment of a Proxy in relation to a Meeting originally convened which has been adjourned for want of a quorum shall remain in force in relation to such Meeting when it is resumed. Any person appointed to vote at such a Meeting must be reappointed under a Voting Instruction to vote at the Meeting when it is resumed.

15 Powers

Without prejudice to the powers of the Trustee under Condition 14.1 (*Meeting of Noteholders*), a Meeting shall have power (exercisable only by Extraordinary Resolution), without prejudice to any other powers conferred on it or any other person:

- (a) to approve any Reserved Matter;
- (b) to sanction any proposal by the Issuer or the Trustee for any modification, abrogation, variation or compromise of any provisions of this Trust Deed or the Conditions or any arrangement in respect of the obligations of the Issuer under or in respect of the Notes, save to correct a manifest error, of formal, minor or technical nature or not materially prejudicial to the interest of the Noteholders;
- (c) to waive any breach or authorise any proposed breach by the Issuer of its obligations under or in respect of this Trust Deed or the Notes or any act or omission which might otherwise constitute an event of default under the Notes;

- (f) to approve the appointment of a new Trustee;

16 Extraordinary Resolution binds all Holders

An Extraordinary Resolution shall be binding upon all Noteholders whether or not present at such Meeting and irrespective of whether they have cast their vote or of how their vote was cast at such Meeting, and each of the Noteholders shall be bound to give effect to it accordingly. Notice of the result of every vote on an Extraordinary Resolution shall be given to the Noteholders and the Paying Agents (with a copy to the Issuer and the Trustee) within 14 days of the conclusion of the Meeting, *provided that* the non-publication of such notice shall not invalidate such result.

17 Minutes

Minutes shall be drawn up by the competent notary public of all resolutions and proceedings at each Meeting. The Chairman shall sign the minutes, which shall be prima facie evidence of the proceedings recorded therein. Unless and until the contrary is proved, every such Meeting in respect of whose proceedings minutes have been made and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted. The minutes shall be recorded by the Issuer in the book of Noteholders' meetings (*libro delle adunanze e delle deliberazioni delle assemblee degli obbligazionisti*) pursuant to Article 2421, paragraph 1, n. 7 of the Italian Civil Code, and registered by the notary public who drew up the relevant minutes at the local companies registry (*registro delle imprese*) of the Issuer.

18 Compliance with mandatory laws

All the provisions set out in this Schedule 3 are subject to compliance with any mandatory laws, legislation, rules and regulations of the Republic of Italy and the Issuer's by-laws (to the extent permitted under applicable Italian law) in force from time to time which shall prevail in the case of any discrepancy between provisions set out in this Schedule 3 and any such mandatory laws, legislation, rules and regulations of the Republic of Italy and the Issuer's by-laws (to the extent permitted under applicable Italian law) in force from time to time. In addition, and for the avoidance of doubt, the provisions of the laws, legislation, rules and regulations of the Republic of Italy in force from time to time, including (where such laws, legislation, rules and regulations so require or permit), the

Issuer's by-laws shall be deemed to apply to any aspects relating to the Meetings which are not expressly regulated herein.
